

2000 RATES
CRATER LAKE NATIONAL PARK
THE HISTORIC CRATER LAKE LODGE

The historic Crater Lake Lodge, fresh from a \$15 million renovation, provides the finest in full service accommodations and fine dining. Open mid May to mid October, the lodge has spectacular vistas in both guest rooms and dining room.

During the day, book passage on the Crater Lake Volcano Cruises, hike miles of trails through the park, sample a variety of food at our food venues or just souvenir hunt in the gift store.

Mazama Village, located seven miles below the rim, is a great alternative. The Mazama Village Motor Inn offers 40 modern units each with a private bathroom and shower. The campground has 198 tent and RV spaces and there are public showers, laundry facilities, a convenience store and a gas station.

The Wonder of it all.

Nature's stage is 33 miles around and 1,932 feet deep. Once a towering mountain, now America's deepest lake.

Hike spectacular trails to mountain peaks and waterfalls; picnic near rainbow fields of wildflowers. Take the 33-mile drive around the caldera rim. Enjoy the campgrounds in the most scenic of settings.

Take it all in... if you can.

*Crater Lake Lodge...
The best seat in the house.*

Sit on the patio and rock the morning away, watch the sun slip behind the caldera rim and dine on the finest cuisine and wines.

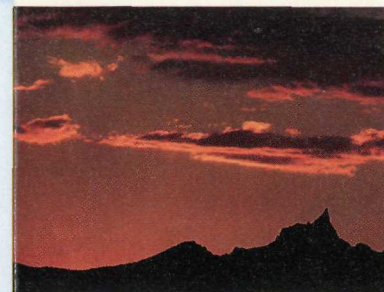

Stay the night and indulge yourself in handsomely refurbished suites and elegant guest rooms with spectacular views.

Close by you'll find The Watchman Restaurant, Liao Rock Cafe, and the well-stocked gift store.

For reservations call: (541) 830-8700

Cruise the Blue Volcano.

Slip through the pristine, bluest of blue waters and discover places like Wizard Island and The Phantom Ship, then say "hello" to the Old Man of the Lake.

Sleep under the stars.

Pitch a tent, bring your camper to the campground. Some creature comforts add just the right amount of indulgence. And, for those who enjoy their stay a little less rugged, Mazama Village Motor Inn offers 40 lodging units nestled in the woods, with a convenience and gift store, gas station and public showers close by.

Here, Nature makes a complete spectacle of herself.

This is one place that can't be upstaged. Come see the show for yourself.
