The Blue Goose is the symbol of the National Wildlife Refuge System, a network of lands and waters managed for the benefit of wildlife and people.

### Welcome

Welcome to Alamosa National Wildlife Refuge (NWR). Established in 1962, Alamosa NWR contains 12,026 acres of wetland and upland habitat along the Rio Grande in southcentral Colorado. A large portion of the Refuge is designated as a wildlife sanctuary and is closed to public access.

### General Information

Activities are permitted one hour before legal sunrise until one hour after legal sunset

This brochure contains information for limited migratory birds and small game hunting, and fishing on the Alamosa NWR. If you would like information about elk hunting, only allowed with a Special Refuge Access Elk Permit, contact Refuge staff at 719-589-4021.

### Safety

Be aware of and courteous to other hunters, visitors, and staff while hunting. Fishing is not allowed on the Chicago dam due to dangerous undercurrents.

### Prohibited Activities

- Camping and fires.
- Possession or consumption of alcohol while hunting.
- Possession of a controlled substance or drug paraphernalia.
- Unmanned aircraft systems, including drones.
- Littering, including spent shell casings.
- Searching for or removing cultural artifacts, fossils, or animal parts, including antler sheds.

### Firearms

Persons possessing, transporting, or carrying firearms on National Wildlife Refuge System lands must comply with all provisions of State and local law. Persons may only use (discharge) firearms in accordance with refuge regulations (50 CFR 27.42 and specific refuge regulations in 50 CFR Part 32.)

Possession of firearms in Federal facilities and buildings is prohibited under 18 USC 930(a).

### Vehicles

Off-highway vehicles, such as snowmobiles, all-terrain vehicles (ATVs), or utility terrain vehicles (UTVs) cannot be used on the refuge. The use of game carts or other non-motorized methods to transport hunting equipment to and from the hunting area is allowed.

Hunters may access hunting and fishing areas by foot from public roads. All vehicles on the Refuge must be parked in designated parking areas.

Access to the non-motorized portion of the hunting and fishing area is limited to walking, horseback, and bicycling, including e-bikes. Bicycles and e-bikes are restricted to established roads. E-bikes are bicycles with a small electric motor (less than 1 horsepower). The operator of an e-bike may only use the small electric motor to assist pedal propulsion. The motor may not be used to propel an e-bike without the rider also pedaling, except in locations open to public motor vehicle traffic.

### Accessibility

Equal opportunity to participate in and benefit from programs and activities of the U.S. Fish and Wildlife Service is available to all individuals regardless of physical or mental ability. For more information please contact the U.S. Department of the Interior, Office of Equal Opportunity, <https://www.doi.gov/pmb/eeo/public-civil-rights>.

### Hunting and Fishing Regulations

Hunting and fishing are permitted in accordance with Federal regulations governing public use on National Wildlife Refuges as set forth in Title 50 of the Code of Federal Regulations.

Hunting and fishing are allowed on the Refuge in accordance with State regulations and the Refuge-specific regulations in this brochure.

### Fishing Regulations

State fishing regulations and permits apply to the Alamosa NWR fishing area.

Fishing is closed from April 15 to September 1 in the [seasonal closure area](#) to protect the southwestern willow flycatcher, a federally endangered bird, during the breeding season.

- Fishing is only allowed within the designated fishing area. (see map)
- Access to the fishing area must be from parking area 7 or from the Malm Trail. Do not trespass on private lands.
- All personal property, including fishing line, bait containers, and other trash must be removed at the end of each day.
- Pets must be leashed, and their waste picked up.
