

General Introduction

Bald Knob National Wildlife Refuge, established in 1993, is one of over 500 national wildlife refuges administered by the U.S. Fish and Wildlife Service. The primary objective of the refuge is to provide habitat for migratory waterfowl.

Public use, hunting and fishing are allowed under carefully controlled conditions in order to maintain wildlife populations. This permits the wise use of a valuable natural resource and provides wholesome recreational opportunities for the public. Both hunting and fishing are in accordance with state and federal regulations as supplemented by the following special refuge regulations.

Access and vehicle use

Vehicle access on the Mingo Creek Unit is limited to ATV use only on marked ATV trails. Conventional vehicles may be used on the Farm Unit March 1 - November 14. ATVs only may be used from November 15 to February 28 for access from Parking Areas. All vehicles including ATVs must stay on established roads. Roads may be closed at anytime hazardous or poor road conditions exist. Parking of vehicles on roadsides that prevents the passage of extra-wide farm equipment prohibited. Vehicles are subject to be towed at owner's expense. Horses are prohibited.

General Refuge Regulations

Public use of the refuge is permitted throughout the year. Permitted activities are hunting, fishing, wildlife observation, photography, environmental education and interpretation.

Nighttime use is limited to fishing and/or frogging and the appropriate tackle must be possessed.

Prohibited activities include joy riding, off road vehicling, searching for and removal of artifacts, camping, building fires, cutting or defacing trees, littering and commercial

activities. Waterfowl sanctuaries, indicated on the map, are closed to all public use from November 15 through February 28. Firearms, archery equipment and crossbows are permitted only during refuge hunts. Houseboat mooring to the refuge bank on the Red River is prohibited.

Sport Fishing and Frogging Regulations

Sport fishing and frogging is permitted year-round in accordance with state regulations.

General Hunt Regulations

Refuge permits are required for all hunts. Permits are nontransferable and must be carried at all times by anyone on refuge land in possession of hunting equipment.

Mobility-impaired hunters

Mobility-impaired hunters may apply for a special permit which will allow hunting from an ATV on refuge roads. Issuance of the permit is restricted to persons who are permanently confined to a wheelchair, require the use of mechanical aids (crutches and walkers) to walk or have complete single leg amputations. For more information, please call the refuge at 870-347-2614.

Firearms

Firearms must be unloaded when carried in/on land vehicles or boats under power. Hunting from a vehicle or use of a vehicle as a deer stand is prohibited. Target practice or shooting non-game species prohibited.

Prohibited

Hunting from a tree in which a metal object has been driven to support a hunter is prohibited. The placing of or hunting over bait or salt is prohibited. Waterfowl sanctuaries, indicated on the refuge map, are closed to all entrance and hunting from November 15 through February 28.

Trapping is prohibited. Beaver, muskrat, nutria, coyote, and armadillo may be taken during any refuge hunt by the use of the firearm appropriate for that hunt.

Spotlighting is prohibited. Artificial lights may not be used to locate wildlife.

Bag limits for all species except deer are the same as state limits unless specified otherwise.

The use or possession of alcoholic beverages while hunting is prohibited.

Non toxic (waterfowl) shot only may be possessed and used for all small game hunting by hunters using shotguns.

Hunters under the age of 16 must be supervised by an adult not less than 21 years old and must remain in sight and normal voice contact with the adult. For small game hunts, the adult may supervise no more than two youths. For big game hunts, the adult may supervise only one youth.

Hunters born after December 31, 1968, must possess a hunter education card.

Obtaining Permits

When signed, this brochure will serve as a permit for all hunts except the quota deer hunt. A quota deer permit is also required for the quota gun deer hunt.

Print or type your name, address, and birth date on one side of a 3x5 index card or standard postcard.

Indicate the refuge (i.e. Cache River or Bald Knob) hunt for which you are applying opposite your name. Separate applications are required for each refuge.

To apply as a group (maximum of five hunters per group), list required information for all applicants on the same card.

Return completed application(s) to the refuge office between July 1 and August 15.

Waterfowl (Duck, Coot and Geese)

Duplicated, unclear or incomplete applications will not be considered.
