

Fisherman Island & Eastern Shore of Virginia

National Wildlife Refuges
Hunting Regulations 2023–2024

Welcome

Fisherman Island and Eastern Shore of Virginia National Wildlife Refuges were established in 1973 and 1984 respectively as an inviolate sanctuary for migratory birds. The refuges' visions are – “Lying at the tip of the Delmarva Peninsula, the Fisherman Island and Eastern Shore of Virginia National Wildlife Refuges are part of a national system of lands managed to ensure the future of wildlife and it's habitats. These refuges serve as one of the country's most valuable stopovers for migratory birds. Nestled between the Atlantic Ocean and Chesapeake Bay, the refuges include a variety of habitats such as maritime forest, shrub thickets, grasslands, beaches, and tidal wetlands. These habitats provide a vital link for millions of songbirds, raptors, shorebirds, and butterflies to rest and refuel before continuing the rigorous journey to their wintering grounds”.

Safety

Areas of the refuge may be closed for management purposes, or other hazardous conditions that pose a threat to human health and safety. Fisherman Island is a dynamic island and areas on the map may not represent true ground conditions.

Firearms

Persons possessing, transporting, or carrying firearms on National Wildlife Refuge System lands must comply with all provisions of State and local law. Persons may only use (discharge) firearms in accordance with refuge regulations (50 CFR 27.42 and specific refuge regulations in 50 CFR Part 32).

Firearms and or/muzzleloaders are prohibited in the Archery Only Zone.

Boats

Fisherman, Skidmore and Raccoon Islands are only accessible by boat. You may park your vehicle at the Wise Point Boat Ramp area provided a boat ramp/parking pass is obtained. Parking is limited to first come - first served, obtaining a pass does not guarantee parking will be available.

Dogs

We allow the use of dogs consistent with State and Northampton County regulations only in the General Hunt and Migratory Game Bird Only Hunt Areas.

Accessibility Information

Equal opportunity to participate in and benefit from programs and activities of the U.S. Fish and Wildlife Service is available to all individuals regardless of physical or mental ability. For more information please contact the U.S. Department of the Interior, Office of Equal Opportunity, <https://www.doi.gov/pmb/eoo/public-civil-rights>.

For additional information please contact 757-331-2760.

Hunting Regulations

Hunting regulations are designed to provide safe recreational opportunities through wise use of renewable wildlife resources. Hunting is permitted in accordance with Federal regulations governing public use on National Wildlife Refuges as set forth in Title 50 of the Code of Federal Regulations.

Hunting will be in accordance with applicable State of Virginia regulations subject to the conditions stated herein. Brochures may be obtained by mail, at the refuge headquarters, or from the refuge website.

All members of a hunt party must possess a refuge hunt permit and be actively engaged in hunting. We allow an exception for those persons aiding a disabled person who possesses a valid State-issued Commonwealth of Virginia Disabled Resident Lifetime License or Commonwealth of Virginia Resident Disabled Veteran's Lifetime License.

For Fisherman Island Only

Hunting is only allowed by a boat; you may not hunt from land. Retrieval of fallen game is allowed on land.

Fisherman Island & Eastern Shore of Virginia National Wildlife Refuges Hunting Permit 2023—2024

When signed and carried, this serves as your permit for all refuge hunts and acknowledges your understanding of the regulations contained herein.

Expires June 30, 2024

Signature (permits are not transferable)

Hunting is prohibited from any upland or beach habitat.

Access

Hunters may access the refuge two hours before legal sunrise until two hours after legal sunset.

Hunters must park in designated parking areas to access the refuge for hunting.

Refuge hunt areas adjoin private property and “closed to hunting” areas. It is the hunter’s responsibility to know where they are hunting.

Tree Stands & Blinds

We allow the use of portable tree stands, portable blinds and decoys, but you must remove them at the end of each day’s hunt.
