Sit back and enjoy the ever-changing beauty of the majestic Olympic mountains and legendary, mysterious Lake Crescent, a lure for hearty explorers since the 1800's. Long popular as a vacation and recreation paradise, Lake Crescent displays the variety for which Olympic National Park is so famous. Whatever you like to do - hiking, boating, water sports, or just a lakeside picnic, you'll find it here in a picturesque environment.

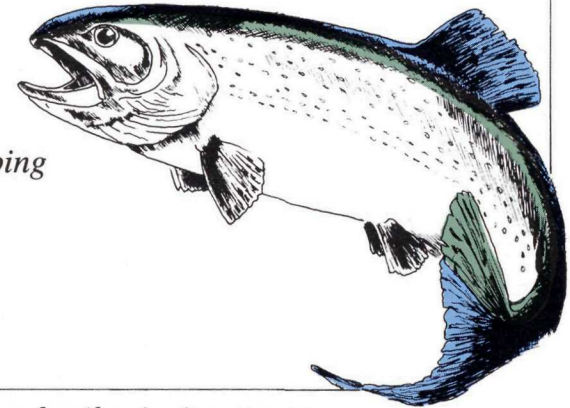

Or try your luck fishing for the elusive Beardslee trout, the ultimate Northwest trophy!

You'll be secluded among giant old growth firs and cedars, with nearby trails to spectacular waterfalls, snow-capped mountains and the deep blue waters of Lake Crescent. To the south, Mount Storm King rises above the lake.

The resort offers a variety of accommodations: lakeside chalets, comfortable lodge rooms, rustic cabins and Camping Log Cabins, as well as full hookup RV sites.
