Be Prepared for your Cave Tour

The *Discovery Tour* lasts 90-minutes. The route is moderately strenuous and is not recommended for people with heart, breathing, or walking problems. The entire experience is 1-mile, requires frequent twisting and bending, and includes more than 500 uneven stairs. Temperature inside the cave is 44°F (7°C).

Children

For safety, children must be at least 42" inches tall. Children may not be carried through the cave.

Help us Protect our Bats!

To prevent the spread of White-nose Syndrome do not bring clothes, shoes or equipment used in another cave or mine.
