

# Surprise Guest.

**Food left unattended is an open invitation for wildlife. Store food, coolers, cooking gear, and toiletries in your car—never in your tent.**

**Do not burn food scraps in fire pits and dispose of all trash properly.**

Leave No Trace Principles #6  
**Respect Wildlife**

- Observe wildlife from a distance. Do not follow or approach them.
- Never feed animals. Feeding wildlife changes their health, alters natural behaviors, and exposes them to predators and other dangers.
- Protect wildlife and your food by storing products and trash securely.
