Mountains to Sky

Tucked in the canyons above Malibu and nestled below majestic Boney Mountain, you will find Circle X Ranch. This former Boy Scout camp offers many opportunities for exploration and leisure.

Hike one of the many trails that wind through this rare coastal Mediterranean ecosystem. Experience the chaparral plant community and look for red shank chamise, a tree-like shrub with reddish-brown bark, clusters of thread-like leaves and small bunches of white

flowers that bloom in July and August. Keep an eye out for blue-bellied lizards and scrub jays during the daytime, and gray foxes and bats at twilight.

You can climb to the top of Sandstone Peak, the highest point in the Santa Monica Mountains, or hike the Happy Hollow Loop Trail, enjoying a picnic at Oak Grove. Marvel at one of the few locations near Los Angeles where you can see the Milky Way Galaxy.

Information and Safety

BE PREPARED for changing weather conditions. Bring water, food, map or some type of navigation device, a headlamp, and first-aid supplies on your hikes. Be alert for ticks, bees, rattlesnakes, and poison oak. Wear sturdy footwear, e.g. hiking boots or shoes with good tread. Cell phone reception is largely non-existent in much of this area.

TRAIL ETIQUETTE improves everyone's trail experience. Hikers should yield to equestrians. Equestrians should communicate with passing hikers and bicyclists. Horses should not graze or leave the trail. Remove manure from parking areas.

BICYCLISTS must ride courteously and yield to hikers and equestrians; speed limit is 15 mph unless conditions require a safer speed. Bicyclists and equestrians are allowed on designated trails only (avoid social trails and fire lines).

NATURAL AND CULTURAL RESOURCES including rocks, plants, and animals are protected by law and may not be collected or disturbed. Do not climb on structures. Weapons, nets, and traps are not allowed in parklands.

HORSE TRAILERS are not recommended due to winding roads and limited parking areas.

WILDFIRE is a year-round concern. Fires of any kind are not permitted on trails.

TRAIL CLOSURES will be in effect during and following extreme weather or hazardous conditions.

PETS must be under control and on a leash that doesn't exceed six feet. Pick up after your pet. Pets are not allowed off trails.

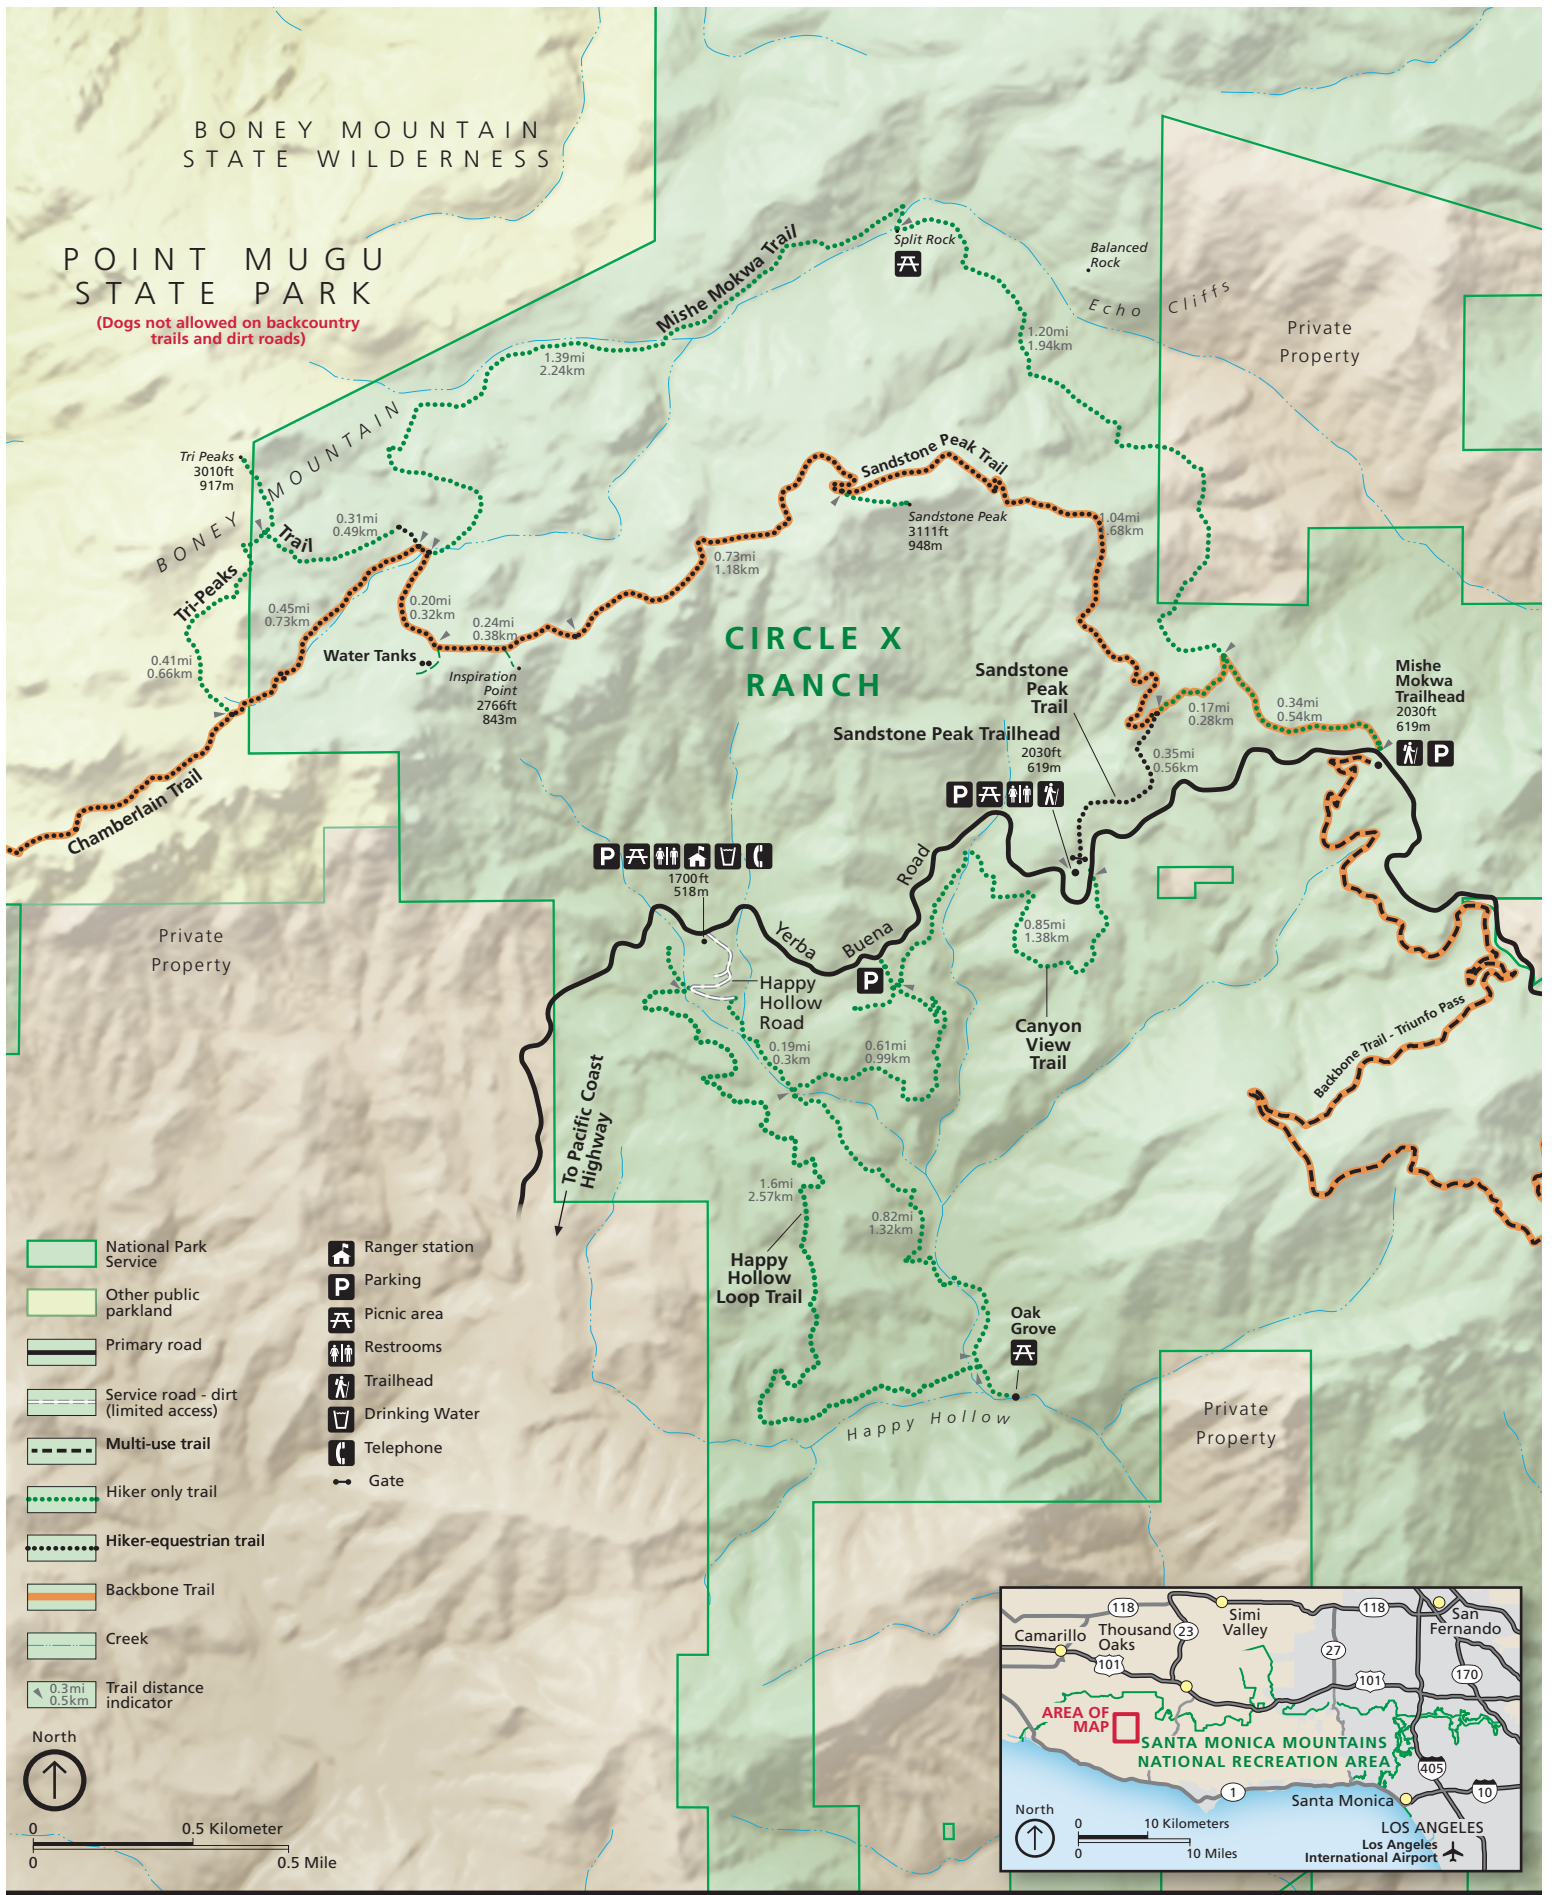

WATER that comes from streams is not safe to drink due to possible contamination or the presence of giardia.
