* Mileage is approximate driving distance from Pittsburg Landing to reach neighboring community.

Rules and Regulations

- The possession of metal detectors, hunting, collecting, and possessing of archaeological artifacts are prohibited.
- Firearms are prohibited.
- Please do not climb on monuments, fences, or cannons.
- All wildlife is protected. Please enjoy but do not harass.
- Use caution when walking near the steep bluffs along the Tennessee River.
- Drivers please watch for pedestrians on roads.
- Pedestrians should walk on left side of roadways.
- Bicycles are permitted on paved roads only. Cyclists must obey traffic laws and signs.
- Horseback riding is not permitted.
- Pets must be leashed and under control of handler at all times.
- Picnicking and recreational activities are allowed in designated areas only.
- Shiloh United Methodist Church is an active congregation. Park visitors are welcome on privately owned church grounds.
- Grounds close at dark.

Facilities and Resources

To accommodate visitor needs and to enhance understanding of park resources, the 4,000-acre park offers a variety of facilities and resources.

A **visitor center** is open 8:00 AM until 5:00 PM, every day except Christmas Day. The center offers exhibits and a 25-minute orientation film—*Shiloh: Portrait of a Battle*—shown on the hour and half hour. Accessible restrooms are located inside the visitor center and in the parking lot.

Rangers are available at the visitor center to greet park visitors, to answer questions, to distribute park maps and program schedules, and to collect park entrance fees. The fee is \$3.00 per person or \$5.00 for a family pass (spouse, parents, and children). Children 15 and under are admitted free. Several annual passes and commercial bus tour rates are also available. School groups may apply for a fee waiver.

Across the street from the visitor center, is the **park bookstore**, operated by Eastern National Park and Monument Association. The store has a large selection of books and interpretive materials, battlefield maps, and an audio driving tour. Behind the bookstore are vending machines and a payphone.

Situated on the high river bluff above Pittsburg Landing, **Shiloh National Cemetery** is across

the street from the visitor center. Established in 1866, the ten-acre cemetery is the final resting place for more than 3,500 Northern soldiers, a Revolutionary soldier, and hundreds who fought in World War I and II, Korea, and Vietnam.

Visitors should allow at least an hour to drive the ten-mile, **self-guided auto tour route**. Pull-offs and interpretive wayside exhibits are located at each of the 14 tour stops. Many of the park's 156 commemorative monuments, 600 troop position markers, and 200 cannon can be seen from the park roads. To see all historic structures, one must hike into the surrounding woods and fields.

The park's one **picnic area** has a large pavilion, grills, and restroom facilities. It is available for use on a first come, first serve basis. This ten-acre area is located one mile south of the park entrance on Tennessee Highway 22. The area is open daily, however, the restroom facilities are closed mid-November through mid-April.

Riverside Drive, which runs through **Shiloh Indian Mounds National Historic Landmark**, is closed to automobile traffic pending completion of a new bridge and stabilization of the riverbank. However, visitors are invited to hike into the Mississippian-era mound complex. Once construction is completed, the site will include an orientation shelter and interpretive trail.

The newest park facility is the Corinth Civil War Interpretive Center, which is a unit of Shiloh National Military Park located in Corinth, Mississippi, twenty-four miles southwest of Shiloh. The 15,000 square-foot facility features interactive exhibits, a multimedia presentation on the Battle of Shiloh, and a video on the Battle of Corinth. The center stands near the site of Battery Robinett, a Union fortification witness to bloody fighting during the October 1862 Battle of Corinth.

Activities

Rangers present **interpretive programs** on weekends in the spring and fall, and daily in the summer. Most walks, talks, and demonstrations last about 25-minutes. Daily schedules are available in the visitor center.

Special events include **Battle Anniversary** living history events, **Memorial Day** weekend events and services, and a number of

encampments. Schedules of events are posted at www.nps.gov/shil.

Special requests may be made for outreach programs and for talks, tours, and demonstrations within the park. Contact a park ranger at (731) 689-5696 to make arrangements.
