

Sleeping Bear Dunes National Lakeshore

RANGER PROGRAMS JULY & AUGUST 1995

**D.H. Day Campground
Amphitheater Slide Programs
10 PM in July
9:30 PM in August**

**Non-campers please park at the old log building
at the back of the campground.**

Thursday: The Last Men To See The Wilderness
Did you ever wonder why a road is where it is, not somewhere else? Or how you know where the boundaries of your house lot are? Come and see how it all began for this area with the U.S. Deputy Surveyor almost a century and a half ago.

Friday: Wild Flowers
Wild flowers do more than just sit pretty. They call birds, capture bugs, feed beasts and even "sting" unwary people. Come enjoy their beauty while you listen to the surprising stories of truly wild flowers.

Saturday: Animal Sounds
Ank, Ank, Ank! Have you ever wondered what kind of animal is making that noise? Try your hand at nature's mysteries and maybe learn a few sounds of your own!

**Platte River Campground
Amphitheater Slide Programs
10 PM in July
9:30 PM in August**

**Non-campers please park at the Ranger
Station near the campground entrance.**

Friday: The Starry Night Sky
Take a journey across the night sky and enjoy the beauty of the stars. Starting from the Big Dipper, we'll navigate among the constellations while sharing folklore and astronomy.

**Saturday: Lighthouses and Lighthouse
Keepers at the Manitou Passage
(No programs July 1 and July 8)**
Five lighthouses and a lightship have guarded the often-treacherous waters of the Manitou Passage. We will tour these historic places and investigate the equipment used to create the brilliant lights. You will also learn of the keeper's daily life and hear stories of their adventures while tending their lights.
