

C & O Canal
National
Historical
Park

Nell & Molly

Mules are the “engines” that power the C&O Canal boats. Mules possess the best qualities of their horse mother and donkey father. Today’s mule team is:

Nell

Born: Tennessee, 1996

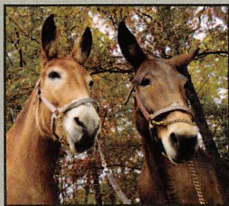

Height: 14.2 Hands

Weight: 1000 lbs.

Eyes: Brown

Color: Light Bay

Nell is the youngest mule but she can pull the boat like a veteran.

Molly

Born: Tennessee, 1996

Height: 14 Hands

Weight: 800 lbs.

Eyes: Brown

Color: Bay-Roan

Molly is our smallest mule but she is one of the hardest workers.
