

National Park Service, 1916-2016

Independence NHP

Established June 28, 1948

The National Park Service cares for over 400 of America's natural and historical treasures. From protecting wonders like the Grand Canyon to battlefields like Gettysburg, the National Park Service stands as "America's best idea." In 1948, Congress established Independence National Historical Park. The park preserves Independence Hall and the Liberty Bell, known worldwide as symbols of freedom and democracy.
