

# Kennesaw Mountain National Battlefield Park

*Kennesaw's Bombardment*

# A Picture Speaks a Thousand Words

Combat artists' drawings were used to illustrate newspaper and magazine articles throughout the war. One of the most famous combat artists was Alfred Waud. His accurate drawings, like "Kennesaw's Bombardment, 64," helped people understand the horrors of war. Many of Waud's works were featured in the popular illustrated magazine *Harper's Weekly*.
