Groveton Monument

Groveton Monument

Fact: The Second Battle of Manassas is sometimes referred to as the Battle of Groveton.

Both the Groveton Monument and the Henry Hill Monument were completed in June 1865, making them among the earliest Civil War monuments erected in the country. The Groveton Monument commemorates the Union soldiers who lost their lives in the Second Battle of Manassas, August 28-30, 1862.
