

Major General Jubal A. Early

**Born: November 3, 1816 in
Franklin County, Virginia**
**Died: March 2, 1894 in
Lynchburg, Virginia**

General Jubal Early led the Confederates to success at the battle of Monocacy, but victory was short lived. The day spent in battle cost them precious time in threatening the United States capital, and the opportunity to negatively influence the re-election of President Abraham Lincoln was lost.
