DELAWARE WATER GAP NATIONAL RECREATION AREA

PENNSYLVANIA AND
NEW JERSEY

The distinct "S" curve in the Delaware River through Kittatinny Ridge is the distinguishing feature of the Delaware Water Gap, an area of exquisite natural surroundings and numerous leisure opportunities.

The serene waters are ideal for fishing, canoeing and swimming. The quiet rural atmosphere is conducive to leisurely nature walks and simple relaxation. Snow skiing, snowmobiling, cross-country skiing and ice fishing are popular among winter sports enthusiasts. Interpretive exhibits also provide interesting information about nature and native history.

SPECIAL INFORMATION

A newspaper of Recreation Area activities and events is printed three times a year and is available at the visitors centers or by writing the superintendent. • Superintendent, Delaware Gap National Recreation Area, Bushkill, PA 18324 (717) 588-2451.
