INSPIRING GENERATIONS

On October 1, 2015, the park will commemorate the 125th anniversary of the establishment of Yosemite National Park. President Benjamin Harrison signed the legislation, thereby creating the nation's third National Park. The establishment of Yosemite National Park preserved over 1,500 square miles of land including Tuolumne Meadows, the park's high country, Hetch Hetchy and lands surrounding Yosemite Valley.

Yosemite National Park 125th Anniversary

Conservationist John Muir played an important role in advocating the protection of the vast high-elevation meadows, rivers, majestic mountains, and deep valleys that make up the heart of the High Sierra.
