This attractive and functional fish cleaning station with its four freeze-proof hydrants will afford year-round convenience to fishing enthusiasts and help cope with the usual mess generated by successful catches! From the Benelex table top (Masonite 401 or equal) to the stainless steel strainer and sink, the P.V.C. water lines and copper drains for the freezeless system to the sturdy galvanized steel frame, the entire unit is designed to withstand weather and corrosion. Galvanized hydrant pipes are sealed with silicone where they pass through table top.
