

# Vehicle Restrictions

Acadia National Park  
Maine

National Park Service  
U.S. Department of the Interior

## Height Restrictions

- **Park Loop Road** is closed to vehicles taller than 12'0" between Fabbri Picnic Area and Wildwoods Stables.
- **Route 3** bridge over the Park Loop Road near Blackwoods Campground is 11'8" in the right lane and 12'0" in the left lane. Vehicles over 11'8" must drive in the left lane while passing beneath this overpass.
- **Park Loop Road** is closed to vehicles taller than 12'2" between Sieur de Monts and the entrance station.
- **Stanley Brook Road** is closed to vehicles taller than 10'4".
- **Fish House Road** is closed to vehicles taller than 11'6".
- **Duck Brook Road** is closed to vehicles taller than 12'4".
- **Blackwoods and Seawall Campgrounds** are closed to recreation vehicles taller than 11'8".

## Weight Restrictions

- Commercial vehicles are limited to 27 tons GVW (Maine regulations).

## Height Restrictions

- **Sargent Drive** is closed to RVs and buses.
- **Great Head Road** is closed to vehicles longer than 20' and to trailers.
- **Bass Harbor Head Road** is closed to buses and RVs longer than 20' and to trailers.
- **Blackwoods and Seawall Campgrounds** are closed to RVs longer than 35'. Extension pull-outs must fit within the site pads provided.

## Parking

Parking is limited to:

- Parking lots and paved and gravel pull-outs.
- The right lane of the one-way section of Park Loop Road from Bear Brook Picnic Area to the Stanley Brook Road junction, unless otherwise posted.
- Parallel parking on the shoulders of the two-way section of Park Loop Road between Stanley Brook Road junction and the Jordan Pond Carriage Road gates.
- Parallel parking along the south shoulder of the road to Jordan Pond Boat Ramp.

## ATVs/Motorbikes

All motorized vehicles are prohibited on park trails and carriage roads. All-terrain vehicles are not allowed anywhere in the park.

## Snowmobiles

Snowmobiles are permitted in certain areas of the park.

**Please plan your route carefully. If damage to a bridge occurs, the offending vehicle will be cited and the park will seek restitution for damages to the historic bridges.**
