

## Marina Boat Slip Rentals

Diablo East Marina (Photo Courtesy National Park Service)

### Welcome

The National Park Service will be taking over the management of the marina boat slip and mooring buoy rental operations at Diablo East Marina and Rough Canyon Marina beginning February 1, 2014.

### Boat Slips and Mooring Buoys

Boat slips at Diablo East Marina and Rough Canyon Marina, and mooring buoys at Rough Canyon Marina will be available for rent year round on a first-come, first served basis.

The rentals will be formalized with a Special Use Permit issued by the National Park Service to the boat owner for six-month or one-year blocks of time following the October 1 to September 30 fiscal year.

### Boat Slips

#### Diablo East Marina: \$5/foot slip length

- 26 slips with length 28 feet - \$140/month
- 4 slips with length 30 feet - \$150/month
- 4 slips with length 32 feet - \$160/month
- 8 slips with length 50 feet - \$250/month

#### Rough Canyon Marina: \$5/foot slip length

- 20 slips with length 32 feet - \$160/month

### Mooring Buoys

#### Rough Canyon Marina: \$75/month

- 15 Mooring Buoys - \$75/month

### Why is the National Park Service renting boat slips?

The current contract for the marina concession operation expires January 31, 2014. The current concessions operator has elected to not renew their contract. It will take some time for the National Park Service to go through the contracting process to get a new marina concessions operator.

Until such time as a new marina concessions contract is approved, the National Park Service has decided to take over management of the boat slip rentals at the Diablo East and the Rough Canyon Marinas until another business takes over the concession contract.

### How do you rent a boat slip?

- 1) The first step is to contact the National Park Service Marina Manager, Raul Barrera, at 830-774-4157 to determine if there are any boat slips available for rent.
- 2) If a boat slip is available, you will be given an application for a "Special Use Permit".
- 3) Once you have completed your "Special Use Permit" application, give it to Marina Manager Barrera for review. You can mail it to him by sending it to:  
  
[Amistad National Recreation Area](#)  
[4121 Veterans Blvd](#)  
[Del Rio, Texas 78840](#)  
[Attn: Boat Slip Rental Permit](#)
- 4) You will be notified if your application has been approved and a boat slip is available for you to rent.
- 5) You will then need to sign your Special Use Permit, and show proof of insurance for your boat. Your boat will need to display valid state registration numbers, a valid state registration decal, and a current National Park Service Annual Lake Use Permit.
- 6) You will be able to make your Boat slip rental payments through the [www.pay.gov](http://www.pay.gov) website. Payments can also be made at the National park Service Visitor Information Center.
- 7) The same steps apply if you are renting a mooring buoy instead of a boat slip.

### Additional Information

Boat slip and mooring buoy rentals will be for a full year. There will be no overnight or week-end boat slip rental options available initially.

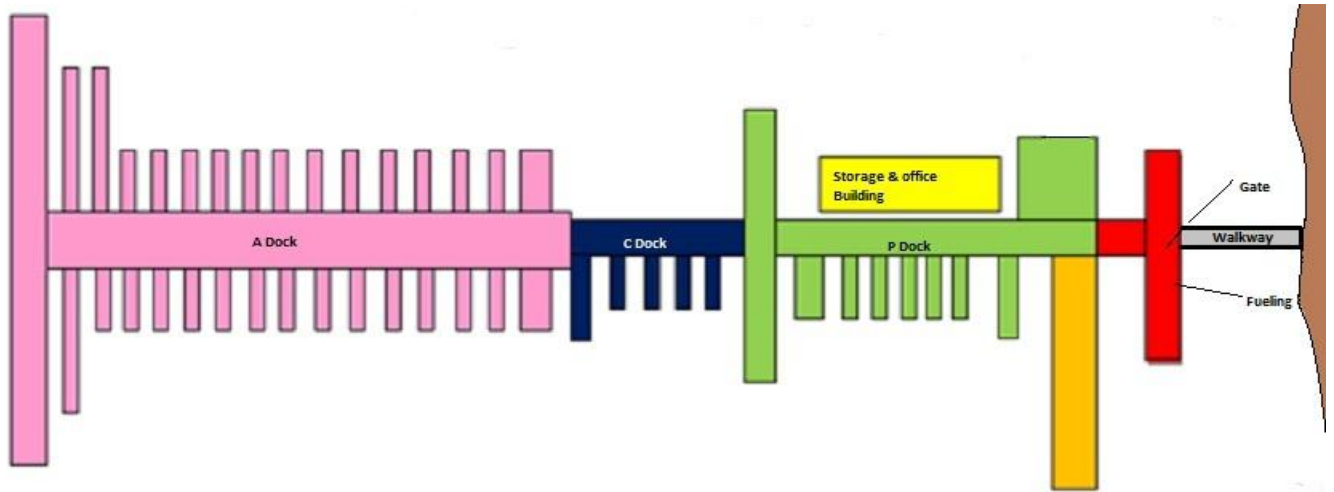

Boat slip and mooring buoy rentals will all expire at the end of the fiscal year, September 30, and will need to be renewed at that time each year.

**Additional Information**

The sewage pump-out docks will be maintained by the National Park Service, and boaters can pump out their on-board toilet holding tanks at no charge on a self-serve basis at the Diablo East and Rough Canyon Marinas.

The gas docks at the Diablo East Marina and Rough Canyon Marina will no longer be available to park visitors for refueling of their privately owned boats.
