Wreaths Across America

Andersonville National Historic Site invites you to join thousands of Americans in remembering and honoring our military veterans by participating in the Wreaths Across America program this holiday season.

What is Wreaths Across America?

Wreaths Across America is a national program to not only honor those recently interred, but also to remember the thousands of forgotten graves found in National Cemeteries through the placement of evergreen wreaths at gravesites.

Wreaths Across America Remembrance Service

The Civil Air Patrol will conduct the annual Wreaths Across America ceremony honoring America's armed forces in the Andersonville National Cemetery on Saturday, December 15, 2018 at 12:00 noon.

Honor the Forgotten - Sponsor a Wreath

If you, your family, organization, or business is interested in sponsoring one or more 20" Fraser Fir wreaths with a red velveteen bow, to be placed on a grave in the cemetery, you can learn more about the program and sponsor wreaths online at www.wreathscrossamerica.org

Remember a Loved One

Beginning December 1, wreaths and floral blankets no larger than 2 by 3 feet are permitted in the cemetery. Please contact your local florist to order an appropriate floral decoration. Wreaths should be brought to the gravesite in person or delivered by a florist. To find the location of a specific grave, please visit gravelocator.cem.va.gov
