## Experience the life of a locktender!

Canal Quarters offers an interpretive experience for everyone. Some lockhouses are rustic while others have modern amenities. All have been restored and furnished to evoke the stories of significant eras in the canal's history.

Step back to the 1830s, the Civil War era, the early 20th century, or the 1950s. Canal Quarters are located along the C&O Canal towpath and the scenic Potomac River, making them ideal destinations for history buffs, hikers, cyclists, and families alike.
