

CRATER LAKE SKI ROUTES
CRATER LAKE NATIONAL PARK
CRATER LAKE, OR 97604

DESCRIPTIONS OF SKI AND SNOWMOBILE ROUTES

1. ◆ **CRATER RIM SKI TOUR** - A complete trip around the lake covers approximately 30 miles and takes 2-3 days depending on experience and weather. Exposure to potential avalanche hazard exists at numerous locations. The route is not marked and route finding difficulty may occur in bad weather.
 - 1a. ● **WIZARD ISLAND OVERLOOK SKI TOUR** - Popular 2½ mile route with good view of lake.
 - 1b. ◆ **KERR NOTCH CUTOFF SKI ROUTE** - 1 mile that bypasses high avalanche potential area.
 - 1c. ● **SUN NOTCH SKI TOUR** - Popular 5 mile route. High avalanche potential beyond Vidae Falls warrants use of bypass through meadow.
2. ◆ **LIGHTNING SPRING SKI ROUTE** - 4 mile route that connects Crater Rim Ski Route and Pacific Crest Trail Ski Route. Through trip 12.5 miles.
3. ◆ **DUTTON CREEK SKI ROUTE** - 4 miles from Rim to Highway 62.
4. ■ **PACIFIC CREST TRAIL SKI ROUTE** - 6.3 miles from junction of Lightning Spring Route to Highway 62. 6.3 miles from Highway 62 to South Boundary. Parking at Annie Spring or Highway 62.
5. ■ **STUART FALLS SKI ROUTE** - 5.4 miles to South Boundary.
6. ◆ **CRATER PEAK SKI ROUTE** - 8.5 miles from Rim Road to South Boundary. 13.5 miles from Headquarters to Highway 62.
7. ■◆ **PINNACLES SKI ROUTE** - 7 mile route that branches off rim route near Vidae Falls, thereby avoiding avalanche hazards of Applegate Peak and Dutton Cliffs. Not marked SE of Lost CR. CMPGD.
8. **SNOWMOBILE ROUTE** - 10 miles from North Boundary to Crater Rim. Registration required. Snowmobile use is not permitted off of the marked route or in any other area of the park.
9. ◆ **RAVEN TRAIL** - A short, steep trail through dense timber. ½ mile in length. Starts in stream canyon directly east of lodge.
