for biking, hiking, and crosscountry skiing

Delaware Water Gap  
National Recreation Area

National Park Service  
New Jersey/Pennsylvania

**Joseph M. McDade Recreational Trail** is a planned recreational trail which, when completed, will extend for 37 miles on the Pennsylvania side of the park. The trail is open to hiking, biking, and crosscountry skiing. *Motorized vehicles are not permitted.*

## STATUS AS OF SPRING 2008

**Two sections are presently completed and open. *These sections do not interconnect.***

- (1) a section along River Road PA from Hialeah Picnic Area PA to Turn Farm Trailhead PA. This section has a few steep short hills but mostly rises gently northward past fields and through forested sections. Water and restrooms in season at Hialeah Picnic area and Smithfield Beach. (5 miles)
- (2) a section from Milford Beach PA to Pittman Orchard PA at Rt. 209. This section has a steep short hill at Milford Bridge but after that is mostly flat, passing fields and an old silo. Water and restrooms in season at Milford Beach. (2.7 miles)

*Information on history along these sections (1) and (2) of McDade Trail is available at [www.nps.gov/dewa](http://www.nps.gov/dewa)*

### RULES OF THE ROAD

Speed limit 15 m.p.h.

**Bikers must yield to hikers!**

Pets must be on a 6-ft. leash.

*(See bulletin boards for other restrictions on pets around Smithfield Beach in summer.)*
