

# Dinosaur

Dinosaur National  
Monument, CO & UT  
National Park Service

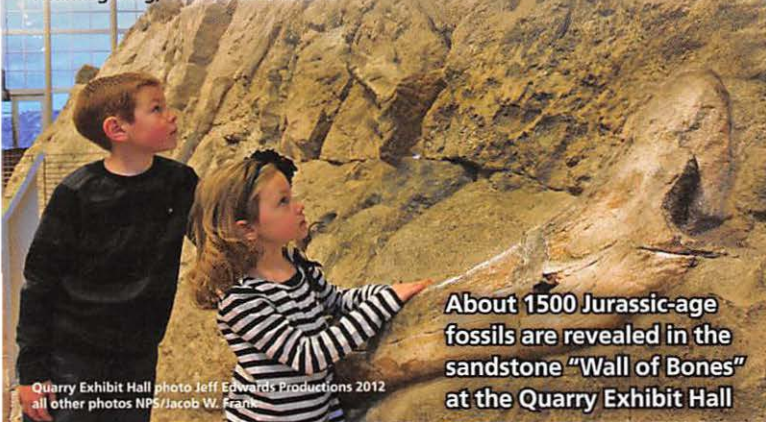

**Dinosaur National Monument's** legacy of rivers spans two states, 210,000 acres, and millions of years. Just imagine all that is here for you to discover.

## Find Dinosaur's World Famous Fossils in Utah

Start your explorations at the Quarry Visitor Center located seven miles north of Jensen, UT. Open daily. Visitor Center and Exhibit Hall closed Thanksgiving, Dec. 25 and Jan. 1.

Access to the fossils in the Quarry Exhibit Hall varies with the season. Call ahead or check our website to help plan your visit.

**About 1500 Jurassic-age fossils are revealed in the sandstone "Wall of Bones" at the Quarry Exhibit Hall**

# Dinosaur - Beyond the Bones

## Hiking & Camping

Over 30 miles of trail, six designated campgrounds and an open backcountry offer challenges for hikers and campers of all skill levels. Permits or reservations may be required.

## Cultural Connections

With 10,000 years of human history here, you can walk in the footsteps of the Fremont, Ute, early explorers and homesteaders.

## River Rafting

The Green and Yampa rivers are premier whitewater destinations. Both rivers can be run with an outfitter or in private groups. Permits required.

## Wild Life

Diverse habitats support lizards, elk, bears, mountain lions, birds and more.

## Plan Your Visit

Visitor center hours, ranger programs, and access to parts of the monument vary with the season. Please call, write or visit our website for more information.
