Tram on Tour

Alligators

The Tour is a 15 mile, 2 hour ride through the everglades interior. National Park Rangers or experienced tram drivers interpret the park, its wildlife, vegetation and unique ecology. Midway through the tour the tram makes a rest stop at Shark Valley Tower, a 50' observation tower from which the visitor may view the vastness and grandeur of the everglades wilderness. Your open-air tram will provide the opportunity to view close-up the animals of the everglades; alligators, birds, deer, fish, turtles and many other species in their natural habitat. Also, enjoy the park's trails and naturalist activities at Shark Valley.

TRAM TOUR OPERATES • 7 Days a Week
-All Year -Weather Permitting. Departure times vary with seasons. Call ahead for Tram schedules and reservations.
