The Fredericksburg, Virginia trail was developed by Robert Ferry, along with his father, Russel Ferry - Scout-master Troop 849 and his mother, Evelyn Ferry - Secretary-Treasurer of the troop.

Robert has been active in scouting since March, 1973. He has served as Den Chief, Senior Patrol Leader, Patrol Leader, Instructor and Quartermaster for the Troop.

The troop has taken several trail hikes together and found this experience interesting and educational.

Robert thought a trail hike of Fredericksburg would be a wonderful way for Scouts and Scout-parents to see
