Fires: Limited to camp stoves and fire rings provided at each site. Drown fires completely before leaving the site, even for a short while. Do not add rocks to existing grills and rings or put ashes or charcoal in the dumpsters.

Trenching and digging: To prevent erosion, ground disturbance is not permitted.

Washing: Do not bathe, wash dishes, or do laundry at water spigots. Wash dishes in restroom sinks. Do not scatter waste water.

Pets: Must be kept on a leash and under physical control at all times. Do not leave pets unattended. Pets are permitted on the Bridal Trail, but are not allowed on any other trail.

Walking: Stay on pavement to protect vegetation and other camper's privacy.

Protect Wildlife

Grand Canyon hosts a variety of wildlife—deer, ravens, ground squirrels, and even mountain lions. To ensure healthy wildlife and to protect your belongings:

Food: Store food and trash in your vehicle or hard-sided containers. Hanging trash bags from trees does not keep them out of reach of ravens. Do not leave pet food outside.

Hanging items: All clotheslines, hammocks, and sports nets must be taken down when not in immediate use.

Trash: Deposit in the dumpsters near each restroom. Do not leave trash unattended; ravens and other animals will scatter it. You are responsible for cleaning up your site.
