

Appendix 12

This is a compilation of entries from Conrad Kohrs's ledger for 1892-1906. The ledger book contains 480 pages and 591 separate entries. Up to page 420 each account is named, but after this only the number of entries per page is shown. The breadth of Con Kohrs's business activities from 1892 to 1906 is graphically portrayed in this ledger, and the diverse business investments he had are shown most graphically.
