K-9 Ranger "Ken" Franklin

b. 11/20/10, Germany

Ken is a federal law enforcement officer who has the ability to detect a wide variety of explosives. He joined Independence National Historical Park in 2012 and since then, he has shown that he has a nose for keeping the park safe. On duty, Ken takes his job very seriously (no petting please!). He is playful and affectionate at home.

When not at work, Ken loves to play ball.
