## BAILLY HOMESTEAD, CHELLBERG FARM, AND LITTLE CALUMET RIVER TRAIL

The Bailly/Chellberg area offers a glimpse of settlement history over the past 150 years. The area needs your protection. Please stay on the trail, leave wildflowers for others, and carry out whatever you bring in.

The loop trail connecting the Bailly Homestead and the Chellberg Farm is 1.4 miles; the entire Little Calumet River Trail is 3 miles. Remember that steps and trails are slippery in wet weather.
