

Endangered Species with Designated Critical Habitat in Parks

Animals

Mammals

Indiana bat Ozark NSR
Grey wolf Isle Royale NP
West Indian (Florida) manatee Canaveral NS & Everglades NP

Birds

American peregrine falcon Arches NP, Canyonlands NP, Grand Teton NP, John D. Rockefeller, Jr. MPkwy, Guadalupe Mts. NP, Chiricahua NM & Golden Gate NRA
Cape Sable seaside sparrow Big Cypress NPres & Everglades NP
Everglade snail kite Big Cypress NPres & Everglades NP
Whooping crane Grand Teton NP, John D. Rockefeller, Jr. MPkwy

Reptiles

American crocodile Everglades NP
San Francisco garter snake Golden Gate NRA

Amphibians

Fishes

Bonytail chub Arches NP & Canyonlands NP
Colorado squawfish Arches NP, Canyonlands NP & Grand Canyon NP
Humpback chub Arches NP & Grand Canyon NP
Desert pupfish Organ Pipe Cactus NM
Devils Hole pupfish Death Valley NM

Snails

Clams

Crustaceans

Kentucky cave shrimp Mammoth Cave NP

Insects

Mission blue butterfly Golden Gate NRA
San Bruno elfin butterfly Golden Gate NRA

Arachnids

Plants

Cactus family

Lloyd's hedgehog cactus Guadalupe Mts. NP

Threatened Species with Designated Critical Habitat in Parks

Animals

Mammals

Grey wolf Grand Portage NM & Voyageurs NP
Grizzly bear Glacier NP & John D. Rockefeller, Jr. MPkwy

Birds

Piping plover Cape Lookout NS

Reptiles

Amphibians

Fishes

Slackwater darter Natchez Trace Pkwy
Spotfin chub Obed WSR

Snails

Clams

Crustaceans

Insects

Arachnids

Plants

Mint family

McKittrick pennyroyal Guadalupe Mountains NP

Other Threatened or Endangered Species for which the National Park Service Plays a Major Role in Protection*

Animals

Mammals

Florida panther (significant portion of the very small population) Big Cypress NPres. & Everglades NP
Perdido Key beach mouse (significant percent of the population) Gulf Is. NS
Mexican long-nosed bat (world's largest concentration) Big Bend NP
Anastasia Island beach mouse (most of the population) Fort Matanzas NM

Birds

American peregrine falcon (in Alaska, the highest densities and best series)
Hawaiian goose (nene) (significant percent of the population) Haleakala NP & Hawaii Volcanoes NP
Hawaiian dark rumped petrel (significant percent of the population) Haleakala NP, Hawaii Volcanoes NP & Kalaupapa NHP

Reptiles

Island night lizard--T (one of only 2 islands on which it occurs) Channel Islands NP
Kemp's Ridley sea turtle (only potential nesting areas in U.S. for restoration) Canaveral NS, Gulf Islands NS & Padre Island NS

Amphibians

Shenandoah salamander (only populations) Shenandoah NP

Fishes

Big Bend gambusia (only populations) Big Bend NP
Little Kern golden trout--T (one of only 2 populations) Sequoia NP

Snails

Clams

Crustaceans

Insects

Schaus swallowtail butterfly (significant percent of population) Biscayne NP

Arachnids

Plants

Gourd family

Tumamoc globe-berry (significant portion of the population) Organ Pipe Cactus
NM & Saguaro NM

Heath family

Presidio manzanita (only population) Golden Gate NRA

Mustard family

Missouri bladder-pod (3 of 11 populations and only Federally-protected pop.)
Wilson's Creek NB

Aster family

Pitcher's (dune) thistle--T (largest protected population) Indiana Dunes NL,
Pictured Rocks NL & Sleeping Bear Dunes NL

Cactus family

Lee pincushion cactus--T (only population) Carlsbad Caverns NP
Chisos Mountain hedgehog cactus--T (only population) Big Bend NP

*All are endangered except for species where a "T" follows the name.

Summary of Expenditures of the National Park Service Toward Endangered and Threatened Species Recovery in Fiscal Year 1989, by Species

Species \$(000)

Mammals

Bat, Indiana	1.7
Bat, Townsend's big-eared	2.0
Bear, brown or grizzly	887.5
Ferret, black-footed	5.0
Manatee, West Indian	15.0
Mouse, Perdido Key beach	1.0
Panther, Florida	284.0
Squirrel, Va. no. flying	0.4
Whale, humpback	16.0
Wolf, grey	496.3
Wolf, red	16.0

Birds

Crane, whooping	1.0
Eagle, bald	136.9
Falcon, American peregrine	314.8
Falcon, Arctic peregrine	3.5
Goose, Hawaiian (nene)	1.2
Pelican, brown	6.0
Petrel, Hawaiian dark-rumped	6.0
Plover, piping	170.5
Sparrow, Cape Sable seaside	0.5

Stork, wood	2.5
Woodpecker, red-cockaded	2.5

Reptiles

Lizard, Island night	8.5
Tortoise, desert	5.0

Fishes

Chub, bonytail	0.5
Chub, humpback	14.0
Chub, spotfin	0.3
Madtom, Smoky	0.3
Trout, greenback cutthroat	25.0
Trout, Little Kern golden	1.1

Plants

Asteraceae--Aster family
Cirsium pitcheri
Pitcher's or sand thistle 9.0

Brassicaceae--Mustard family
Lesquerella filiformis
Missouri bladderpod 3.5

Crassulaceae--Stonecrop family
Dudleya traskiae
Santa Barbara Is. liveforever 6.7

TOTAL	2444.2
