

Mining Workshops

The Adventure Mine offers a range of programs where participants can learn a variety of mining skills. Whether you are an interested individual, High school teacher, or looking for an experience for a university class, we can help. Contact us for more information.

Hiking & Biking

Seven plus miles of free-use hiking and mountain biking trails.

Hike or ride by old foundations and prospect pits or to the top of Adventure Bluff.

Trail maps and information available at the Adventure Mine Gift Shop and online.

Like us on Facebook.com/SokeTrails for trail and event updates.

SöKē

Southern Keweenaw Trails

SöKē, a nonprofit corporation, manages a free use hiking and biking trail network around the historic Adventure Mine site.

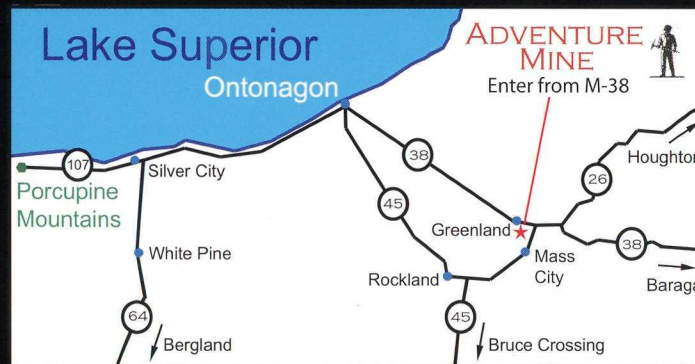

Experience the mine as the miner did over 160 years ago with a single light on your hard hat. There are no other lights underground.

The temperature underground is 48° so a light jacket is comfortable. Closed-toe shoes are HIGHLY recommended for all tours and required for the Miner's and Captain's tours. Don't forget your camera!

All tours depart as needed with no set schedule & are offered on a first come, first served basis. Reservations are not necessary (except Captain's tour). If you have a large group we appreciate a call ahead of time so we can plan for your arrival.

LOCATION

Off Highway M-38 in Greenland, Michigan
38 miles south west of Houghton,
12 miles east of Ontonagon.

HOURS

OPEN DAILY rain or shine! Monday - Saturday 9 - 6 and Sunday 11 - 6, Eastern Time. After Labor Day we are closed on Wednesdays. Memorial Day through Mid-October.

Thousands of years ago an unknown prehistoric people discovered and mined pure copper in the rock outcrops of Adventure Bluff. These ancient workings were found by mid-1800's prospectors who then sunk the shafts and mined the tunnels that became the Adventure Mine. Operating between 1850 and 1920, Adventure Mining Company removed more than 11 million pounds of native copper from the ground. We invite you to join us as we step back in time in the world's greatest copper district and experience one of Michigan's best preserved historic mines.

Guided Underground Mine Tours

Trammer's Tour

Easy

For all ages

Length: 1 hr.

All Times are Eastern Time Zone

Tour offered until 5:00pm

- Travel underground on the same gravel paths the miners used years ago to reach a scenic overlook
- Experience stopes- whole rooms carved out by hand in search of copper
- View natural copper, still in the rock
- Hear tales of mining life and descriptions of historic tools and working conditions

Prospector's Tour

Moderate

For all ages

Length: 1hr. 30 min.

Tour offered until 4:30pm

- Travel underground over small rocks and up slight slopes through the full length of the first level of the mine
- Experience stopes with ceilings up to 300 feet
- View large masses of natural copper, embedded in the rock walls
- The Prospector's Tour builds on all of the locations and descriptions of the introductory Trammer's Tour

Miner's Tour

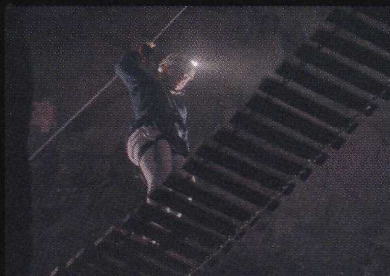

Challenging

Min. age of 13
and weight of 70 lbs

Length: 2-3 hrs.

Tour offered until 3:00pm

- Follow the path of our Prospector's Tour but then finish by rappelling down an 80 foot shaft to the 2nd mine level
- Experience the Ice Cave
- View some of the oldest parts of the mine and historic surface features not available on shorter tours
- The Miner's Tour offers an authentic historic and physical underground experience

Captain's Tour

Very Challenging

Min. age of 13 yrs.

Length: 5-6 hrs.

Tour by reservation only

- Travel several miles underground to areas of the second level that have been submerged since the 1920's
- This is a very unique and physically intense experience that offers areas of the mine that are nearly unexplored
- Tour departs at 10:00am, a traditional underground lunch of local pasties is included
- RESERVATIONS REQUIRED Minimum of two participants. Seasonal tour: access may restrict availability until July 1st.
