

EXPERIENCE HISTORY UNDERGROUND AT THE...

DELAWARE COPPER MINE

Upper Michigans Premier Mine Attraction

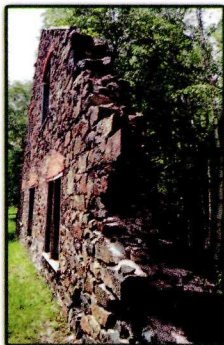

Operating from 1847 until 1887, this authentic mine offers a walking tour that takes you 100 feet below ground to explore one of the earliest mines to operate during the country's first major mining boom. You'll see pure veins of copper exposed in the walls of the mine, along with other geological interests, unique historical ruins, and artifacts.

SCAN ME

The self-guided underground tour allows you to take your time exploring the tunnels and shafts of the mine. The mine is well-lit, with detailed signs throughout. We are children and pet friendly!

Other highlights include a self-guided surface tour of mine buildings and artifacts, walking trails, gift shop, picnic facilities (above and below ground), as well as a prehistoric mine pit over 5000 years old!

Tours are offered daily from mid-May thru mid-October. Light jackets and comfortable walking shoes are recommended.
