So my mom, and my dad our going along with my older brother and my twin sister Lucia. I can't wait to go! We're now in Seattle and the Portland camera week ago. My older brother Tyler, who's 17 caught the "gold fever" Tyler hopes to get gold! My dad got 5 tickets yesterday. We're heading up to the Klondike tomorrow. Our dog is coming too! ### STATEMENT OF INTENT

(Why are you leaving your home town? Why are you choosing to go to the Klondike?)

Mudog and I are going up to Dawson City to try our luck. We are going because we can not pay our bills. I could not believe when I heard the front page that the ship "Portland" had two tons of gold. I have caught some "Gold Fever". I spent almost all of my money for a ticket to the Klondike. I want to go to the Klondike to see if I can strike it rich. If I do I will come back home and pay <sup>off</sup> our bills and get a new house. If I don't, I will open up a book store with my dog. I hope
