

Joining "OZ"

"OZ CREW" missions will be in the spring through fall on both weekdays and weekends. Your CREW should consist of 5 to 10 members; they can be family, friends, church members, or work associates. Sign up by calling 702-293-8717 or emailing: Lame_Volunteer_Coordinator@nps.gov

Get friends, family members, or work associates together and team up with the "OZ CREW"!

Spend A Day With "OZ"!

Beginning is easy, simply call Lake Mead National Recreation Area's volunteer office at 702-293-8717 or visit Lake Mead's volunteer website at : www.nps.gov/lame/supportyourpark

Help Keep Our Beautiful Lake Clean

Welcome To "OZ"

What is the "OZ CREW"? "Operation Zero, Citizens Removing & Eliminating Waste." The OZ CREW goal is to engage community groups and families to experience Lake Mead National Recreation Area while working together, to keep our national park clean.

On the day of the voyage, the OZ CREW's journey begins early in the morning. NPS staff will provide an overview of the day including safety and vessel instructions.

OZ

Operation Zero

Aboard 'OZ', we will travel to a designated site accessible only by boat. We will pick up and bag litter for about 2 to 2 1/2 hours, eat lunch, and then transport our loot back to the marina for disposal.

During the clean-up and lunch the OZ CREW will have an opportunity to explore the area or just take in the majestic scenery such as the mountainous terrain reflecting in the clear water and watching the wildlife that inhabits the area. The excursion will end early in the afternoon when 'OZ' returns to the launch site, the bags of trash disposed of, and the boat is cleaned and readied for another journey. Mission accomplished!

Journey Essentials:

1. Be in good physical condition to perform duties.
2. Be at least 12 years or older (One adult for every three children).
3. Bring a snack, lunch, and plenty of water.
4. Dress suitably for the weather; bring a hat and sunscreen.
5. Wear shoes that can get wet, but sturdy enough to hike short distances.
6. A sense of adventure and ready for some fun!

C.R.E.W. connections

- building stewardship
- teamwork
- keeping our local area clean
- protect water, animals and plants
- a fun experience on Lake Mead while helping the community
