# Protect the Park, Protect Yourself

This partial list of regulations and laws is designed to help you have a safe and enjoyable visit, and to protect Mesa Verde's ecosystems and fragile archeological sites.

For more information, questions or additional regulations, please ask a park employee.

## How you can protect park resources

Natural and cultural resources at Mesa Verde National Park are protected by federal law. It is illegal to collect plants, animals, natural objects, or artifacts. By leaving them undisturbed, all generations may enjoy and learn from them.

Chasing, capturing, feeding, or teasing wildlife is illegal and dangerous. Keep your food, cooking equipment, and garbage in your vehicle or hard-sided trailer, especially in the campground.

Fire is an important part of Mesa Verde's story. Most fires here were started naturally, by lightning. Help us prevent human-caused fires by being very careful with matches, cigarettes, and campfires.

Archeological sites are fragile. Please do not sit, stand, climb, or lean on these 750-year old fragile structures.

Black bear

## Share the Road

Park roads are steep, narrow, and winding. Do not stop on the roadway; use pullouts or overlooks. Watch for wildlife, pay close attention to your speed around curves, and obey all traffic signs. Trailers and towed vehicles are not allowed beyond Morefield Campground. Extra parking is available near the park entrance.

Bicyclists use caution! The road is steep with few shoulders. Ride single file and stay as far to the right as possible. Bicyclists, like vehicle drivers, must comply with traffic regulations. Bicycles are allowed on paved roads only. Wetherill Mesa Road is closed to bicycles.

Mule deer

## Rocks fall

The park road is built on unstable soils. As a result, rocks and boulders can break loose and fall on the road, posing a hazard to you and your car. If you see boulders blocking the road, do not attempt to move them. Call 970-529-4461 or contact a park employee.

## Visit a cliff dwelling safely

At 7,000 feet (2135 m) elevation, you may feel short of breath, nauseated, or tire easily. Plan ahead and know your own limits.

Trails into cliff dwellings are uneven and steep, with steps and ladders, cliff edges and tight passages, with strenuous elevation changes. Visiting cliff dwellings is not recommended for anyone with heart or respiratory problems or other physical limitations. You can view many cliff dwellings from roadway overlooks.

## Water is vital

Dehydration is a common problem in Mesa Verde. Carry water with you everywhere, and drink it. You can fill your reusable water bottle at all park facilities, including Cliff Palace and Wetherill Mesa Information kiosk. Food and other beverages are not allowed in archeological sites.

## "Can you hear me?"

Once you drive through the park entrance, cell phone service is limited. You can find telephones and pay phones at park facilities. Wi-Fi service is available at the Morefield Campground Store, Far View Lodge, Far View Terrace, and Spruce Tree Terrace. In case of emergency, contact a park employee or call 911.

## Do you need gas?

Gas is available at Morefield Campground only. While in the park, you will probably drive at minimum 50 miles. Plan accordingly.

## Camping?

Morefield Campground is located four miles from the park entrance. It has over 250 camp sites and 15 full hook-up RV sites. There are restrooms with flush toilets, showers, a camp store, coin-operated laundry, gasoline, and an RV dumping station. To learn more turn to page 11. Camping is not allowed elsewhere in the park. Other campgrounds are located in Cortez and Mancos, Colorado.

## Pets need to be protected too

For your pet's sake, do not leave them in your vehicle without proper ventilation and water, and only when temperatures are not hazardous to their health. Leaving pets alone tied to any object is illegal.

Activities with pets are limited. Leashed pets may accompany you on paved roads and parking lots and in the campground. Even if leashed, pets are not allowed on trails, scenic overlooks, or in buildings. Please, clean up after your pooch.

## Firearms

Possession of firearms must comply with federal and state laws. In Mesa Verde hunting and recreational use of firearms is prohibited.

## Park Entrance Fees

From May 24 to September 2 the park entry fee is \$15.00 per private car or \$8.00 per person on foot, on a bicycle, or on a motorcycle. September 3 to November 2 the fee is \$10.00 per car or \$5.00 per person. For commercial vehicle fees, call 970-529-4465 or visit [www.nps.gov/meve](http://www.nps.gov/meve). Federal Interagency annual access, military, and senior passes are available at the park entrance gate.

# Make the Most of Your Visit

## Top Five Mesa Verde Activities

### Take a glimpse into an ancient culture

The Mesa Verde Visitor and Research Center and Chapin Mesa Archeological Museum offer glimpses into the culture of Ancestral Pueblo people. In the museum, look for a hafted knife with a quartzite blade; can you imagine a hunter skinning a deer using that knife? For facility hours see page 1.

### Visit a cliff dwelling community

Five cliff dwellings are open to the public. Cliff Palace, Balcony House, and Long House, can only be entered on a ranger-guided tour. Spruce Tree House and Step House can be explored on your own. Whatever your schedule or interests, details for how to visit a cliff dwelling are on page 5 and 12.

### Explore from your car

Mesa Top Loop Road on Chapin Mesa is a six-mile drive that offers amazing canyon views and a chance to learn about the Ancestral Pueblo people's occupation and architecture through time. To help plan your drive read more below.

### Attend a free ranger program

Hear about Mesa Verde from the park rangers who know it inside and out. Learn the vibrant story of the Ancestral Pueblo people's lifeways on the mesa for over 750 years. Listen to bird song on an early morning walk. Whatever your interest, you will find a program to satisfy your curiosity on page 6.

### Go for a walk or a hike

Wander Prater Ridge Trail, try to decipher the art on Petroglyph Trail, or discover the lushness of Spruce Canyon. Whatever you decide, [taking a walk or a hike](#) will give you a chance to see some of the park's hidden gems. See page 4 for trail specifics.

## Planning Your Visit

Whether you have a few hours or a few days, we invite you to enjoy the spectacular scenery and share a rare glimpse into the ancient culture that shaped this region for over 750 years. Here are a few suggestions for making the most of your time in the park.

### If you have a half-day:

First, stop by the [Visitor and Research Center](#), at the park entrance. Rangers here will help plan your visit. While there, enjoy the exhibits and browse through the store for a selection of books and trail guides.

Twenty-two miles (35.4 km) south of the Visitor and Research Center is [Chapin Mesa Archeological Museum](#). Here exhibits and dioramas trace the lives of the Ancestral Pueblo people. Also available is a 25-minute park video shown every half-hour, and a museum store.

Take a self-guided tour of [Spruce Tree House](#), the park's best-preserved cliff dwelling, located adjacent to the museum. Trail guides are available. Allow one hour for this

½ mile (0.8 km) round-trip paved trail with a 100-foot (30 m) descent and ascent. Rangers are onsite to answer your questions.

Or, take a scenic drive on [Mesa Top Loop Road](#). Stops along the six-mile (10 km), 45-minute drive, with easily accessible, short, paved walking trails, reveal the full range of architecture from earliest pithouses to the cliff dwellings. Highlights include views of Square Tower House and Cliff Palace.

### If you have one full day:

You'll have time to do all half-day activities, plus join a one-hour ranger-guided tour of either [Cliff Palace](#) or [Balcony House](#). Tickets are required. Tickets can be purchased at the Visitor and Research Center, Morefield Ranger Station, or Colorado Welcome Center in Cortez. See facilities hours on page 1.

You can also visit [Far View Sites](#), four miles (6.4 km) north of the museum. This self-guided walk includes Far View House and four other villages plus a dry reservoir all linked by a level ¾-mile (1.2 km) dirt path. See page 5.

Green Towhee

### If you have two full days:

Add a 90-minute ranger-guided tour of [Long House](#) on Wetherill Mesa. Tickets are required. Tickets can be purchased at the Visitor and Research Center, Morefield Ranger Station, museum store, or Colorado Welcome Center in Cortez.

Drive Wetherill Mesa road, walk Badger House Community Trail, and ride the tram to overlooks.

Visit [Step House](#) to view Modified Basketmaker (A.D. 550 to A.D. 750) and Classic Pueblo (A.D. 1100 to A.D. 1300) period architecture. The ¾-mile (1.3 km) round-trip trail begins at the Information kiosk, and includes a 100-foot (30 m) descent and ascent on a winding path. Allow 45 to 60 minutes.

### If you have more than two full days:

You'll have the opportunity to tour all ticketed cliff dwellings, drive all the park roads, and hike one or more of the park trails. See pages 4 and 12.

# Exploring on Foot

## Chapin Mesa

### Farming Terraces

**0.5 miles (0.8 km) round-trip**

Beginning and ending on the road to Cedar Tree Tower, this ½-mile loop trail leads to a series of prehistoric check dams built by Ancestral Pueblo people to create farming terraces. The check dams improved crop yields by collecting water and soil from natural run-off.

### Spruce Canyon Trail

**2.4 miles (3.9 km) round-trip**

This hike begins from the Spruce Tree House trail, follows the bottom of Spruce Canyon, and switchbacks up to the mesa top just northeast of the picnic area on the museum loop road. Access is available only when Spruce Tree House is open.

### Petroglyph Point Trail

**2.4 miles (3.9 km) to complete loop**

This hike begins from the Spruce Tree House trail. It follows an ancient path along the canyon wall to the largest petroglyph panel in the park. Access to trail is only available when Spruce Tree House is open.

### Soda Canyon Overlook Trail

**1.2 miles (1.9 km) round-trip**

This easy walk begins a ½-mile north of the Balcony House parking area along Cliff Palace Loop Road. The trail leads to canyon edge views of Balcony House and other archeological sites along Soda Canyon.

## Wetherill Mesa

### Nordenskiöld Site No. 16 Trail

**2 miles (3.2 km) round-trip**

Named for Gustaf Nordenskiöld, who explored the area in 1891, this trail offers a leisurely walk through recovering fire-scarred vegetation and leads to an overlook of Nordenskiöld Site No. 16. Please note: there is no shade; bring sun protection and water.

### Badger House Community Trail

**1.2 miles (1.9 km)**

This trail begins at the Information kiosk and winds through four mesa top sites, as it gently drops in elevation to the Two Raven House tram stop.

Nordenskiöld Site No. 16 Trail

## Morefield Campground

### Point Lookout Trail

**2.2 miles (3.5 km) round-trip**

Follow the switchbacks up Point Lookout and traverse the mesa top. From on top you will see sweeping views of Montezuma and Mancos Valleys and distant mountains.

### Knife Edge Trail

**2 miles (3.2 km) round-trip**

The trail follows the park's historic entrance road from the northwest corner of Morefield Campground towards the Montezuma Valley overlook. This unpaved level trail provides good views of the Montezuma Valley and is an excellent place to watch sunset.

### Prater Ridge Trail

**7.8 miles (12.6 km) to complete north and south loops**

Beginning on the west end of Morefield Campground, the north loop trail ascends Prater Ridge and follows the top of the ridge above the Montezuma Valley. The shorter south loop offers views of Prater Canyon.

Please respect these fragile places by leaving plants, animals, and artifacts undisturbed.

For your safety:

- Hiking is permitted only on designated trails
- Carry and drink plenty of water
- Stay away from cliff edges as undercut overhangs are dangerous
- Trails can be muddy and slippery after summer rains. Proper footwear is recommended
- Pets are not allowed on trails

## Know Before You Go

Your safety depends on your good judgment, adequate preparation, and constant attention. Wear sturdy shoes or boots, and bring plenty of water. Shade is limited, so bring a hat and sunscreen. Evaluate your physical condition when choosing a hike.

Elevations range between 7,000 and 7,500 feet (2134 m and 2286 m) above sea level. You should plan for all weather possibilities because weather conditions are quite variable. It's possible to begin your hike in full sun and end with a thunderstorm or a snowstorm.

## What To Bring

Bring a minimum of ½ gallon (2 liters) of water per person. You will also need a daypack large enough to carry water, sunscreen, hat, rainwear, binoculars, and camera. Wear sturdy hiking shoes. Please, do not bring any type of snack or food, or drinks other than water into a cliff dwelling.

## Restrictions

Due to overhanging branches, uneven terrain, and footing obscured by vegetation, children must be able to keep pace with the group and walk the extent of the trail on their own without difficulty. Children in backpacks are not permitted.

Please understand that once you begin these hikes, neither you nor your children may “turn around” as there will be no ranger to escort you back to the trailhead. Carefully consider the distance and difficulty of this hike before purchasing a ticket.

## Be On Time

Please be at your hike departure location, ready to go, at least 15 minutes early. The park road is narrow and winding, and can take 45 to 60 minutes to drive from the park entrance to departure locations. To be fair to others, the tour may leave without you if you are late. Please plan accordingly.

# Special Events

## A Vibrant Culture

Contemporary Pueblo people from Hopi, Zuni, and Rio Grande Pueblos are descendants of Ancestral Pueblo people of Mesa Verde. This summer the park will host Pueblo artisans and dancers as they share their vibrant culture. These special events will be held at the Visitor and Research Center, located near the park entrance just off U.S. Highway 160.

**May 25 and 26:** At the 12th annual Indian Arts and Cultural Festival, artisans' work is judged and presented for public viewing and sale.

**June 29 and 30:** Flora Lomayestewa has been bringing her Hopi dance group from Shungopavi village on Second Mesa to Mesa Verde for the last twenty-five years. The Lomayestewa family invites you to view traditional Hopi dances scheduled both days at 11:00 am, 12:00 pm, 2:00 pm, and 4:00 pm.

**September 21:** Starr Tafoya from Santa Clara Pueblo has given pottery demonstrations at Mesa Verde for over fifteen years. She is an award winner at the Santa Fe Indian Market. Join her at 3:00 pm for a demonstration, firing, and sale of her black and redware pottery.

## Artist-in-Residence Program

Kristen Gjerdset

Mesa Verde National Park's [Artist-in-Residence \(AIR\) program](#) provides professional writers, composers, and visual and performing artists the opportunity to pursue their particular art form while being surrounded by the park's inspiring ancient architecture and natural landscape.

Mesa Verde's AIR program is managed by the Mesa Verde Museum Association (MVMA), a nonprofit partner to the National Park Service. The works completed under this program contribute to the public understanding and appreciation of our national parks, create a legacy preserved for future generations, and offer park visitors and the public an opportunity to see our heritage through the eyes and ears of contributing artists.

Five artists are selected annually to live in the park for two weeks during the spring or fall pursuing their craft. They will each present a free public demonstration, performance or talk during their residency.

Public presentations will be offered on:

May 16, May 30, September 12, September 26, and October 10.

Ask a park employee or contact MVMA at 970-529-4445 for specific time, location, and subject for these presentations. For more AIR program information, please visit [www.nps.gov/meve/supportyourpark/artists\\_in\\_residence.htm](http://www.nps.gov/meve/supportyourpark/artists_in_residence.htm)

## Four Corners Lecture Series

The Four Corners Lecture Series is sponsored by nine local entities, including Fort Lewis College, Anasazi Heritage Center, and Mesa Verde National Park. The 2013 lecture series theme centers around *Knowing the Greater Southwest*. Each hosting organization will sponsor speakers that have expertise in a subject relating to that theme.

Visit [www.nps.gov/meve](http://www.nps.gov/meve) or ask a park employee for the schedule, list of speakers, and subject for each free presentation.

Trespass horses

## Horse and Cattle in Mesa Verde

As you drive around the park, you may see a horse or a band of horses. Although picturesque, these horses and cattle are unclaimed trespass livestock that damage archeological sites, destroy native vegetation, and outcompete native wildlife, like deer and elk, at water sources.

These horses and cattle are neither wild nor protected by the 1971 Wild Free-Roaming Horse and Burro Act. These trespassers have been coming into Mesa Verde National Park since it was created in 1906. In 1908, the superintendent declared that livestock was “not permitted” in the park. Then in 1912, the Assistant Secretary of Interior in the Rules and Regulations of the Mesa Verde National Park stated they were “strictly forbidden” within park boundaries.

The park has been trying to reduce the numbers of trespass horses and cattle ever since. Today, management actions to reduce these impacts have included rounding up livestock and returning them to their owners, and improving the boundary fence to reduce movement of livestock into the park. Once the livestock in the park is removed, we expect to see a decrease in impacts to cultural and natural resources.

Horses and cattle in the park may seem tame and approachable, but they are not. If approached, these feral animals may become aggressive. They could bite and kick, which may result in injury to you and them. Animals that become aggressive to humans may have to be killed. It is illegal to feed trespass livestock or wildlife in national parks. Help us keep you safe and wildlife wild.

## Colorado Clean Cities Coalition

Mesa Verde National Park in partnership with Southern Colorado Clean Cities Coalition, and ARAMARK Parks & Destinations was awarded project funding to deploy alternative fuels and vehicles in the park. This project includes a new liquid propane gas (LPG) refueling station for public and park use along with a LPG pickup truck, LPG bus, and LPG-fueled lawnmower. An idle reduction campaign will also be integrated into the park’s education and outreach program in an effort to reduce emissions from unnecessary idling of park, concession, and visitors’ vehicles. Each project component will help reduce environmental impact of park’s operations while simultaneously educating visitors about the importance of conserving resources and reducing waste. The project is expected to be fully implemented in 2014.

In 2010, the Department of Energy through the Clean Cities Initiative signed a five-year interagency agreement with the National Park Service (NPS). The [Clean Cities National Park Initiative](#) supports projects that deploy alternative fuels, vehicles, and refueling infrastructure and help educate park visitors on the benefits of reducing dependence on petroleum, cutting greenhouse gases, and helping the NPS ease traffic congestion. This agreement complements the NPS Climate Friendly Parks program, and enables the partnership to support transportation-related projects that use renewable and alternative fuels, electric drive and advanced vehicles, and fuel-saving measures. The initiative also works to support “Greening our Rides” efforts outlined in the NPS Green Parks Plan.

# Mesa Verde Museum Association

## Providing Memories, Inspiring Stewardship

Mesa Verde Museum Association (MVMA) is the innovative educational nonprofit partner that inspires life-long stewardship of Mesa Verde's cultural and natural heritage. Since 1930, MVMA has supported education and research in the park through an active publishing program, membership program, in-depth learning opportunities, and retail stores. Proceeds from all our programs generated over \$600,000 in park support in 2012.

## You Can Make a Difference!

You can help preserve and protect the park for future generations by becoming a Mesa Verde Association member today!
