

Unravel an Adventure

Welcome to the Obed Wild and Scenic River. We know that you will enjoy spending quiet time or thrilling outdoor adventures recreating in the park this summer. The park's 5,000 acres surround 45 miles of rivers and streams that are full of recreational opportunities including hiking, climbing, camping and bird watching.

The Obed Wild and Scenic River includes four principle waterways of the park's watershed, the Obed River, Clear Creek, Daddy's Creek, and the Emory River. These creeks and rivers have been running their course for thousands of years carving into the sandstone and creating spectacular gorges with cliffs up to 400 feet above the streams below. Huge sandstone boulders in the rivers and creeks create challenging whitewater rapids enjoyed by whitewater enthusiasts from around the world. The cliffs of the Obed are world renowned with almost 400 named routes that vary in difficulty from 5.7 to 5.13.

This news guide is designed to help you discover, plan your stay, and enjoy everything your Obed Wild and Scenic River has to offer. Everyone who comes will be seeking their own connection to their park so we have designed the 2015 summer paper around some of the recreational activities available to you. The Obed is all about enjoying the outdoors so dust off your camping gear, hiking boots, climbing gear, and fishing tackle. Spend your summer in the outdoors with us. While you are here, hike The Point Trail, out to the Lilly Overlook or the Cumberland Trail, try your luck fishing miles of pristine river, bring your gear and test yours skills on some of the park's famous climbing routes, or join the rangers on the first Saturday of the month to learn the sport. You can also bring your raft, tube or kayak to enjoy some time on the river.

If you would like to learn more about the park, its resources, and its recreational opportunities you can talk to a ranger at the Obed Wild and Scenic River Visitor Center, or join us on one of our ranger-led programs. Take the opportunity to read this guide so you can make the best use of your time at the Obed Wild and Scenic River.

Welcome to the Obed Wild and Scenic River!

On August 25, 2016, the National Park Service will observe its 100th birthday, and 2016 also marks the 40th Anniversary of the creation of the Obed Wild and Scenic River. As we celebrate these milestones over the course of the intervening months, we invite you to explore the Obed and find new ways to make it *your* National Park.

A variety of outdoor activities await you at the Obed Wild and Scenic River. Kayaking, canoeing and rafting are popular seasonal activities. During the right conditions, the river system includes whitewater runs that range from Class II to Class IV. Rock climbing and bouldering are also available at the park. Hundreds of climbing routes ranging up to 200 feet in length are available. For those who love to fish, the Obed is home to a variety of bass, bluegill, catfish and muskie, among others. If hiking is what you seek you can enjoy several different hiking trails at varying lengths throughout the park, or join a ranger-led hike or program.

If you are looking for ideas, stop at the park's Visitor Center at 208 North Maiden Street in Wartburg and explore the exhibits, pick up information, talk to a ranger, and watch our new park movie titled "Find Yourself Here". After learning more about the park, rangers can direct you to the activities you seek and you can find out what the Obed Wild and Scenic River holds for you. Your experience awaits you. I hope to see you in the park.
