The  
**CHATEAU** at The  
**OREGON CAVES**  
 NATIONAL  
 MONUMENT

The Chateau at the Oregon Caves spans a wooded ravine. Sheathed in shaggy Port Orford cedar, it rests in harmony with its forested surroundings. Completed in 1934, this National Historic Landmark retains the rustic charm of a bygone era. Cave Creek cascades into a reflecting pond in front of the lodge. The stream flows through the Chateau's lower level and down the ravine.

An intimate lobby, complete with historic Monterey furniture, welcomes guests to relax by the massive fireplace to savor a glass of wine or enjoy board games with family and new-found friends. A grand staircase rises through the structure.

The charming 1930's-style *Caves Café* serves breakfast and lunch and features old fashioned hard ice cream shakes.

*Caves Creek flows into the Chateau's reflecting pond.*

The Chateau also offers fine dining in one of the most beautiful settings in Oregon. The formal dining room offers impressive wooded canyon views. Chateau menus include local wines, beers, meats, fresh produce and baked goods. The Northwest cuisine features choice Oregon-grown ingredients.

The Oregon Caves National Monument offering extensive trail systems above and below ground, is located 20 miles east of Cave Junction at the end of scenic Caves Highway in the Illinois River Valley. Majestic views and wildlife are plentiful as the road wends its way up the mountain. The Chateau is situated across from the entrance to the Oregon Caves.

Visitors to the Illinois River Valley can enjoy a wide range of outdoor activities including horse-back riding, hiking and biking, a challenging 9-hole golf course, boating, fishing, and exploring a host of unique botanical and birding sites.

Let our friendly staff direct you to award winning wineries, galleries, museums, and other attractions. Area information is also available at the Visitor Center in Cave Junction.
