

Lakeshore Accessibility

Pictured Rocks National Lakeshore
National Park Service
U.S. Department of the Interior

The following facilities are described to enhance your visit to Pictured Rocks National Lakeshore. Several facilities are fully accessible, while others are partially accessible.

Visitor Centers

The Grand Sable Visitor Center in Grand Marais, Miners Castle, Munising Falls, and Interagency Visitor Information Center in Munising are all disabled accessible.

Campgrounds

Lakeshore accessible campsites include an extended picnic table, boardwalk, pedestal fire grate, and close proximity to restrooms. Little Beaver Lake Campground has one accessible site, Hurricane River and Twelvemile Beach Campgrounds each have two sites. These sites are reserved for disabled campers till 6 p.m. daily. After 6 p.m. they are open to anyone for one night only and must be vacated the next morning.

Log Slide

The trail to the Log Slide overlook is generally flat, densely packed gravel, and is accessible. The overlook is also accessible. Total trail length is approximately 200 yards. Accessible vault toilet in parking lot.

Miners Castle

The trails to the upper overlooks are paved at Miners Castle. The first 100 yards of level trail lead to two overlooks of the cliffs and Miners Castle. Caution! The trail to the lower overlooks includes stairs and a very steep incline.

Munising Falls

The 800 foot long trail to Munising Falls viewing platforms is paved. The trail is uphill to the platforms and is uneven in places due to erosion issues.

Sand Point Marsh Trail

The half-mile disabled accessible boardwalk into the Sand Point Marsh is a delight to nature lovers. The trail meanders through cattail swamp, open bog, spruce-tamarack, and white cedar wetlands.

Sand Point Beach

The beach parking area and sidewalks are paved. One picnic table is fully accessible with a pedestal fire grate.

If you have any questions regarding facility accessibility, please contact the main Interagency Visitor Center at 906-387-3700. The Disabled Traveler's Companion website can provide valuable information to the disabled traveler. The website contains information and photographs of campgrounds and park attractions that may help in planning your trip to Pictured Rocks. www.tdtcompanion.com/NPS/PicturedRocks
