

Au Sable Lighthouse GUIDED TOURS

Au Sable Light Station tours are scheduled Wednesday through Sunday - June 3 through Labor Day.

The 30-40 minute Park Ranger guided tours run from 11 am through 5:00 pm and begin at the lighthouse front porch. Check with the volunteers at the **Au Sable Maritime Museum** for the next tour time.

The tour fee is \$3 for those 6 and older. Correct change is *greatly* appreciated. Fees payable inside the maritime museum.

Lighthouse visitors are reminded that the area includes very sandy soils, narrow sidewalks, and only the boat-house is accessible at ground level. The other buildings require climbing steps.
