

PROPOSED  
AREAS NEAR EAU GALLIE, FLORIDA.

Location:

In Brevard County on the east central coast of Florida.

General:

The Beach Area along the coast and bordering the Banana River is bordered by heavy sub-tropical hammocks, low scrub palmetto, with typical low dune topography, and is not only very desirable for year around bathing, but it is also an outstanding Beach for surf fishing.

The Lake Washington Area lies near the headwater of the St. Johns River. The marginal areas around the lake are broad, low, marshy pinelands with scattered magnolia bay and cabbage palm islands, and is highly desirable from a wildlife standpoint.

Interested  
Persons:

Walter Hawkins, State Director, National Emergency Council, Florida.  
Mayor Gleason of Eau Gallie.
