- (d) Recreational: Has abundant recreational facilities.
- (e) Biological: Contains a wild game refuge

Accessibility:

Interested Mr. Geo. W. Boyd, Pres. Lions Club,
Individuals: Wheatland, Wyo. Mr. Geo. E. Brimmer
of Cheyenne.

Reports Director Albright visited this area in September 1932 and submitted a letter dated Oct. 5, 1932, stating that he will not consider this area further unless formally requested by both Senators, Cong. Carter and the Governor.

and

In reply to Mr. Boyd, dated Apr. 14, 1932, the Director said that since Guernsey Lake is formed by a dam and is really a reservoir and not a lake, it would be hard to qualify it as natural scenery.
