Camp Amenities

For hikers, bicyclists, & pack animals

Stock-friendly: corral & trough avail.

Food storage lockers (at each site)

Pit toilet

Camper Checklist: What You Need to Know

Access

- *When parking at trailhead, secure items of value and keep them out of sight; better yet, leave them at home! Lock vehicle doors, roll up windows, and engage anti-theft devices.*
- 3 miles to camp from Little Bald Hills Trailhead (Howland Hill Road in Jedediah Smith Redwood State Park); **or**
- 6 miles to camp from Paradise Trailhead/Sand Camp (South Fork Road milepost 7.6 in Smith River National Recreation Area).
- Little Bald Hills Trail and backcountry camp designated for use by hikers, bicycles, horses, and pack animals.
- On national and state park lands, pets (with the exception of service animals) are not allowed on trails or in camp.

Designated Sites

- Four (4) standard campsites; maximum of eight (8) people per site.
- One (1) group campsite; maximum twenty (20) people.
- Camp **only** in designated sites.

Traveling with Horses & Pack Animals

- Pack animals—horses, mules, ponies, burros, goats, and llamas—must be fed pelletized or certified weed free feed.
- Animals may not graze park vegetation and must be hobbled or tied to a hitching post when unattended.
- Maximum of twelve (12) pack animals allowed for overnight use.
- Corral, trough, and (seasonal) non-potable water available in camp.

Disposal of Garbage and Human Waste

- Pit toilet for human waste only—do **not** dispose of garbage in toilets.
- Pack out all trash/garbage when leaving camp.

Food and Garbage Storage

- Store food, garbage, cooking gear, and all odorous items in food storage lockers.
- When cooking and/or eating, do not let wildlife access food and/or garbage.

Never Feed Wildlife (that includes birds, too!)

- It's illegal, and dangerous to you, other humans, and the fed animal.
- Keep a clean camp, store food and other smelly items responsibly, and properly dispose of all garbage—even crumbs!

Water

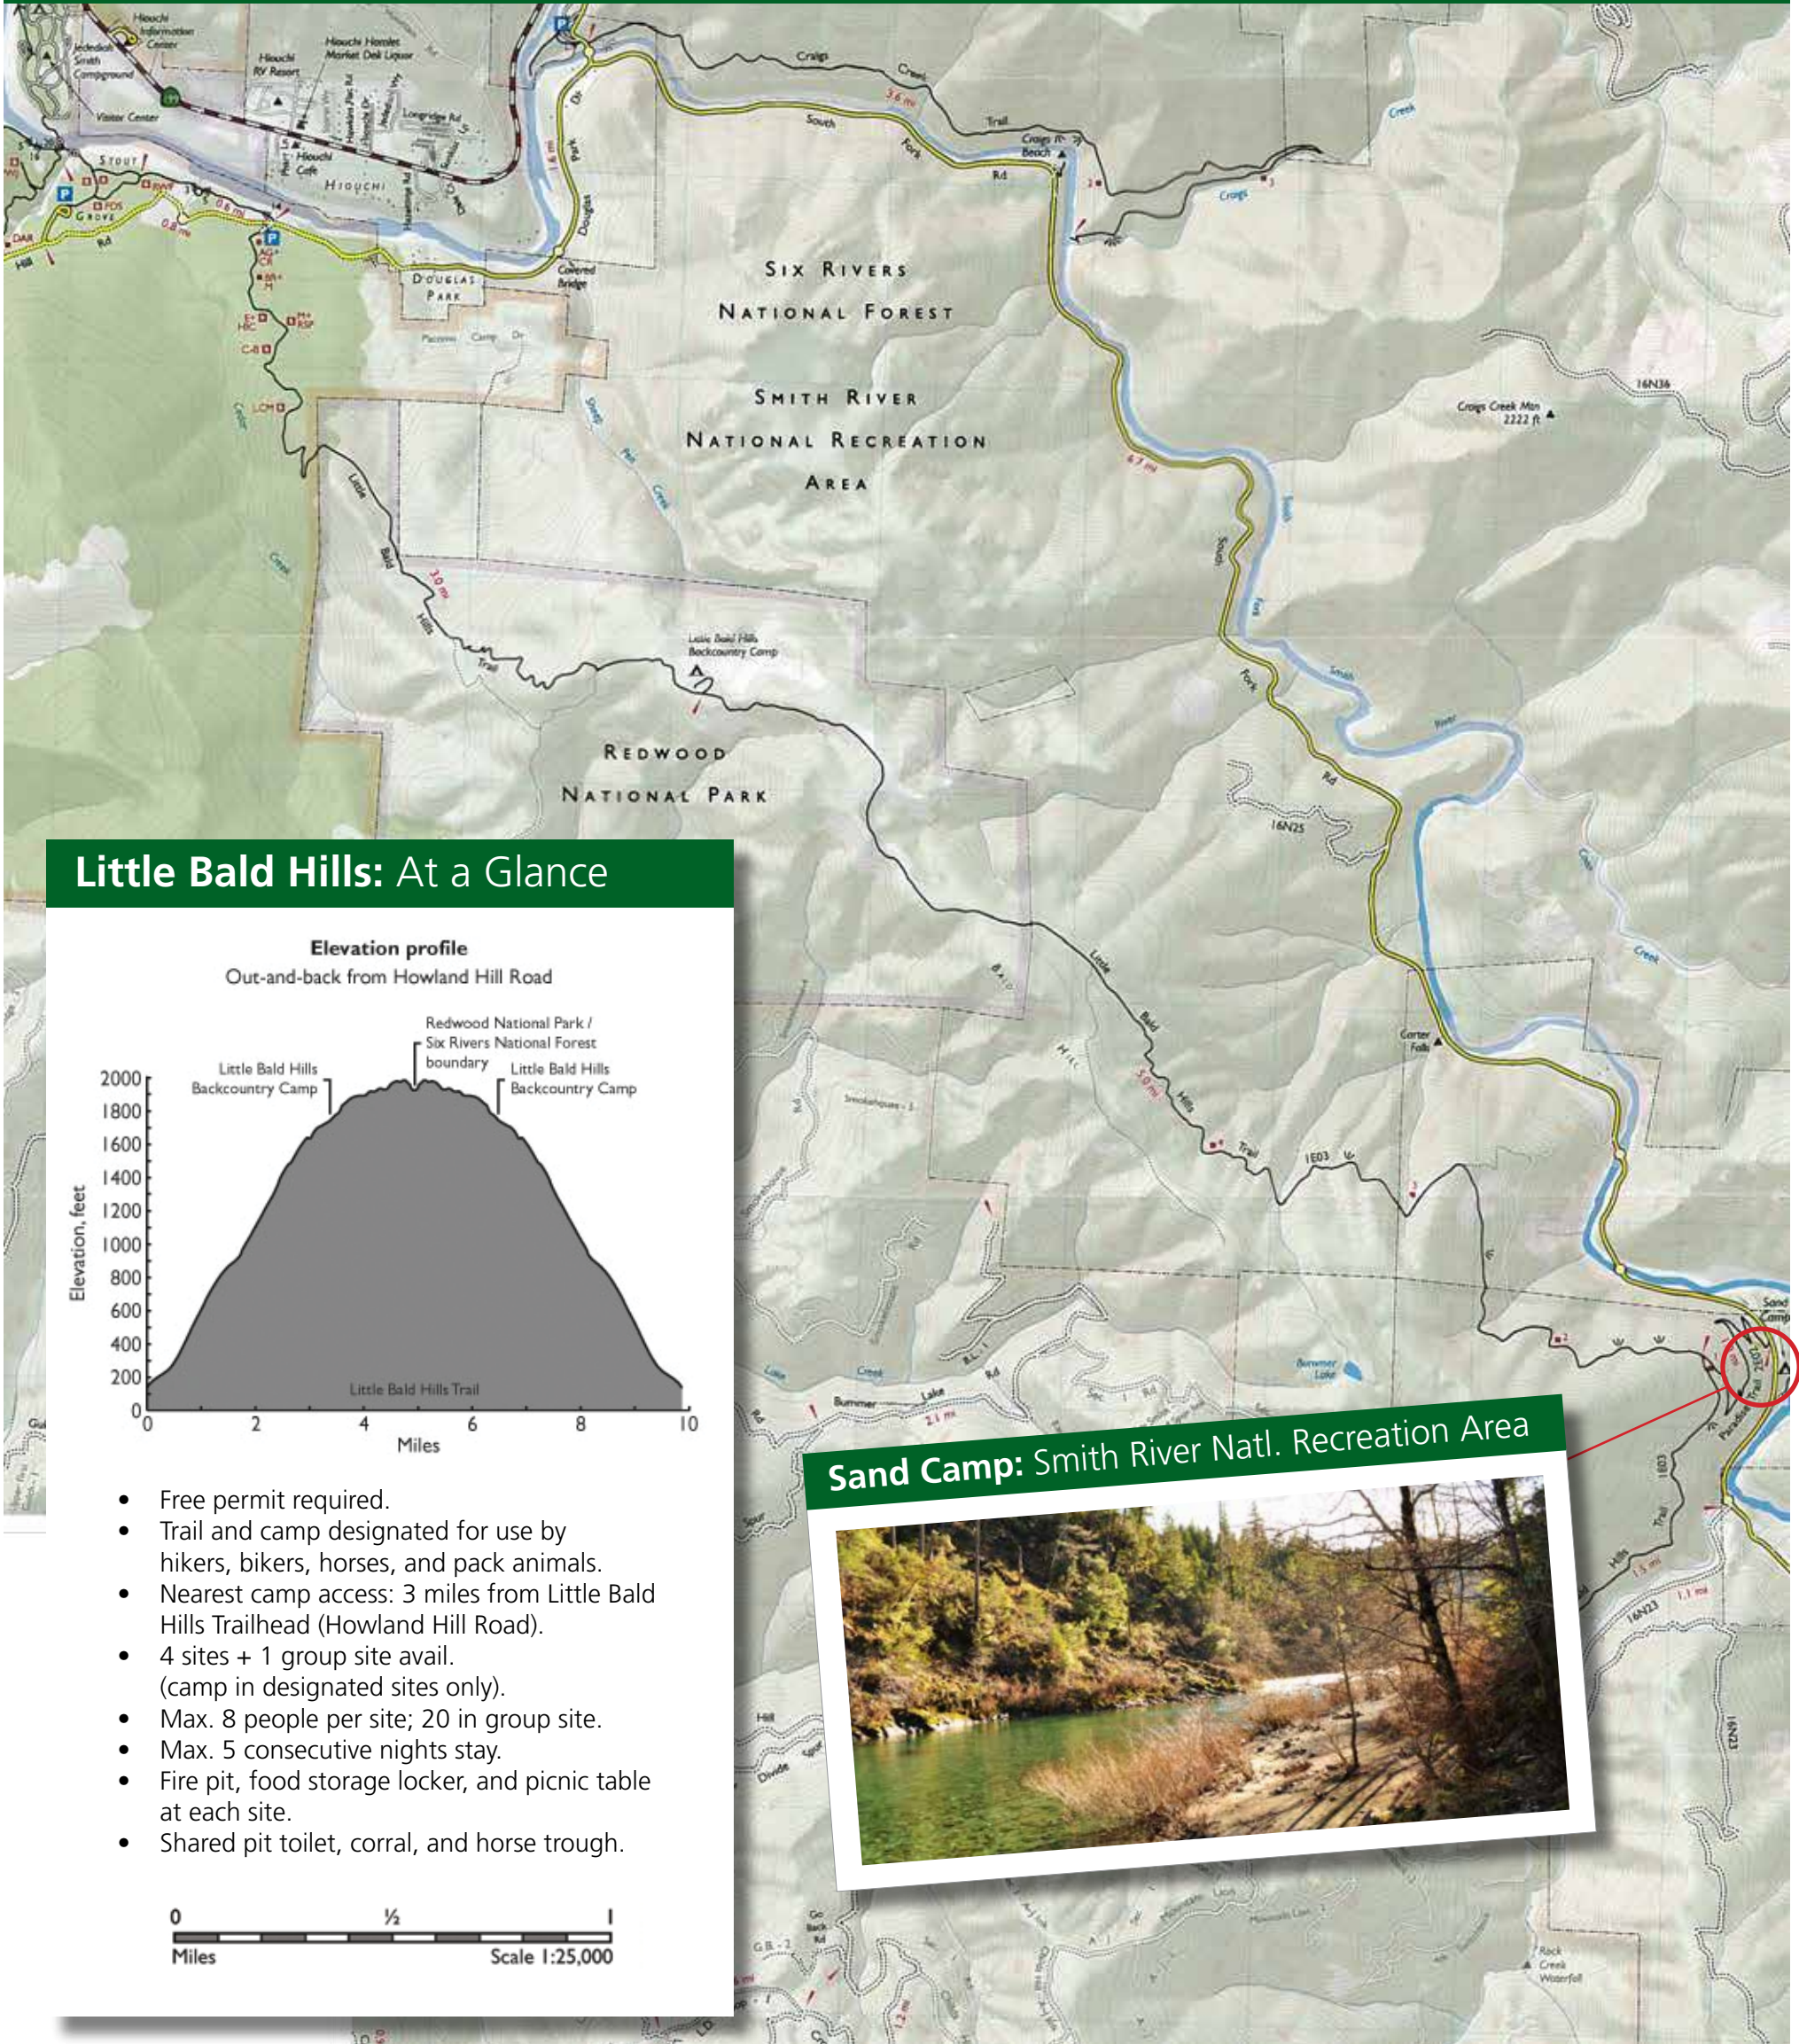

- No treated water source available—pack in water or bring water filter/purifier.
- Horse trough and (seasonal) non-potable water available in camp.

Fires and Firewood

- Campfires are restricted to designated fire rings, only.
- Up to 50 pounds of dead and downed wood per day per campsite may be collected within ¼-mile of camp for campfire use only.
- Do not leave fires unattended or smoldering.

Camper Checklist: What You Need to Know

Access

- *When parking at trailhead, secure items of value and keep them out of sight; better yet, leave them at home! Lock vehicle doors, roll up windows, and engage anti-theft devices.*
- 2 ½-miles south on the Coastal Trail from Crescent Beach Education Center (CBEC) located on Enderts Beach Road. Parking is available at CBEC. Rangers will issue the combination to the gate/lock with permit.
- 6½ miles from Damnation Creek Trailhead (U.S. 101 milepost 16) via Damnation Creek Trail and Coastal Trail.
- Pets (with the exception of service animals), horses, and pack animals are not allowed on trails or in camp.
- Bicycle access to camp via Coastal Trail - Last Chance Section only; bicycles **not** allowed on Damnation Creek Trail, Enderts Beach access trail, or Enderts Beach.

Designated Sites

- Five (5) sites available; maximum of eight (8) people per site.
- camp **only** in designated sites.

Disposal of Garbage and Human Waste

- Composting pit toilets for human waste only—do **not** dispose of garbage in toilets.
- Pack out all trash/garbage when leaving camp.

Food and Garbage Storage

- Store food, garbage, cooking gear, and all odorous items in food storage lockers.
- When cooking and/or eating, do not let wildlife access food and/or garbage.

Never Feed Wildlife *(that includes birds, too!)*

- It's illegal, and dangerous to you, other humans, and the fed animal.
- Keep a clean camp, store food and other smelly items responsibly, and properly dispose of all garbage—even crumbs!

Water

- No treated water source available—pack in water or bring water filter/purifier.
- Water normally available year-round from Nickel Creek; treating this water is strongly recommended.

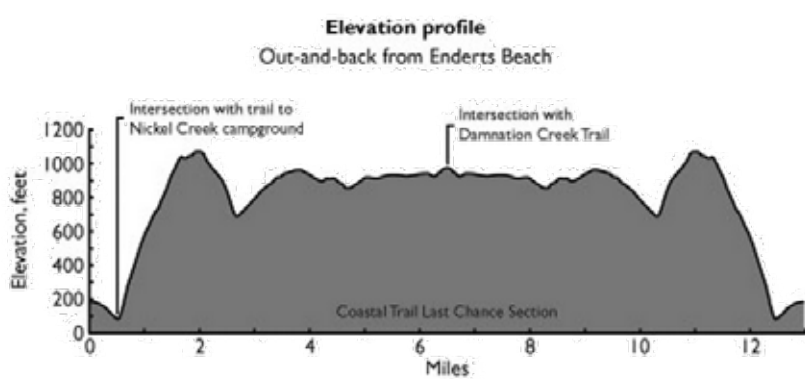

Fires and Firewood

- Campfires are restricted to designated fire rings, only.
- Up to 50 pounds of dead and downed wood (including driftwood) per day per campsite may be collected within ¼-mile of camp for campfire use only.
- Do not leave fires unattended or smoldering.

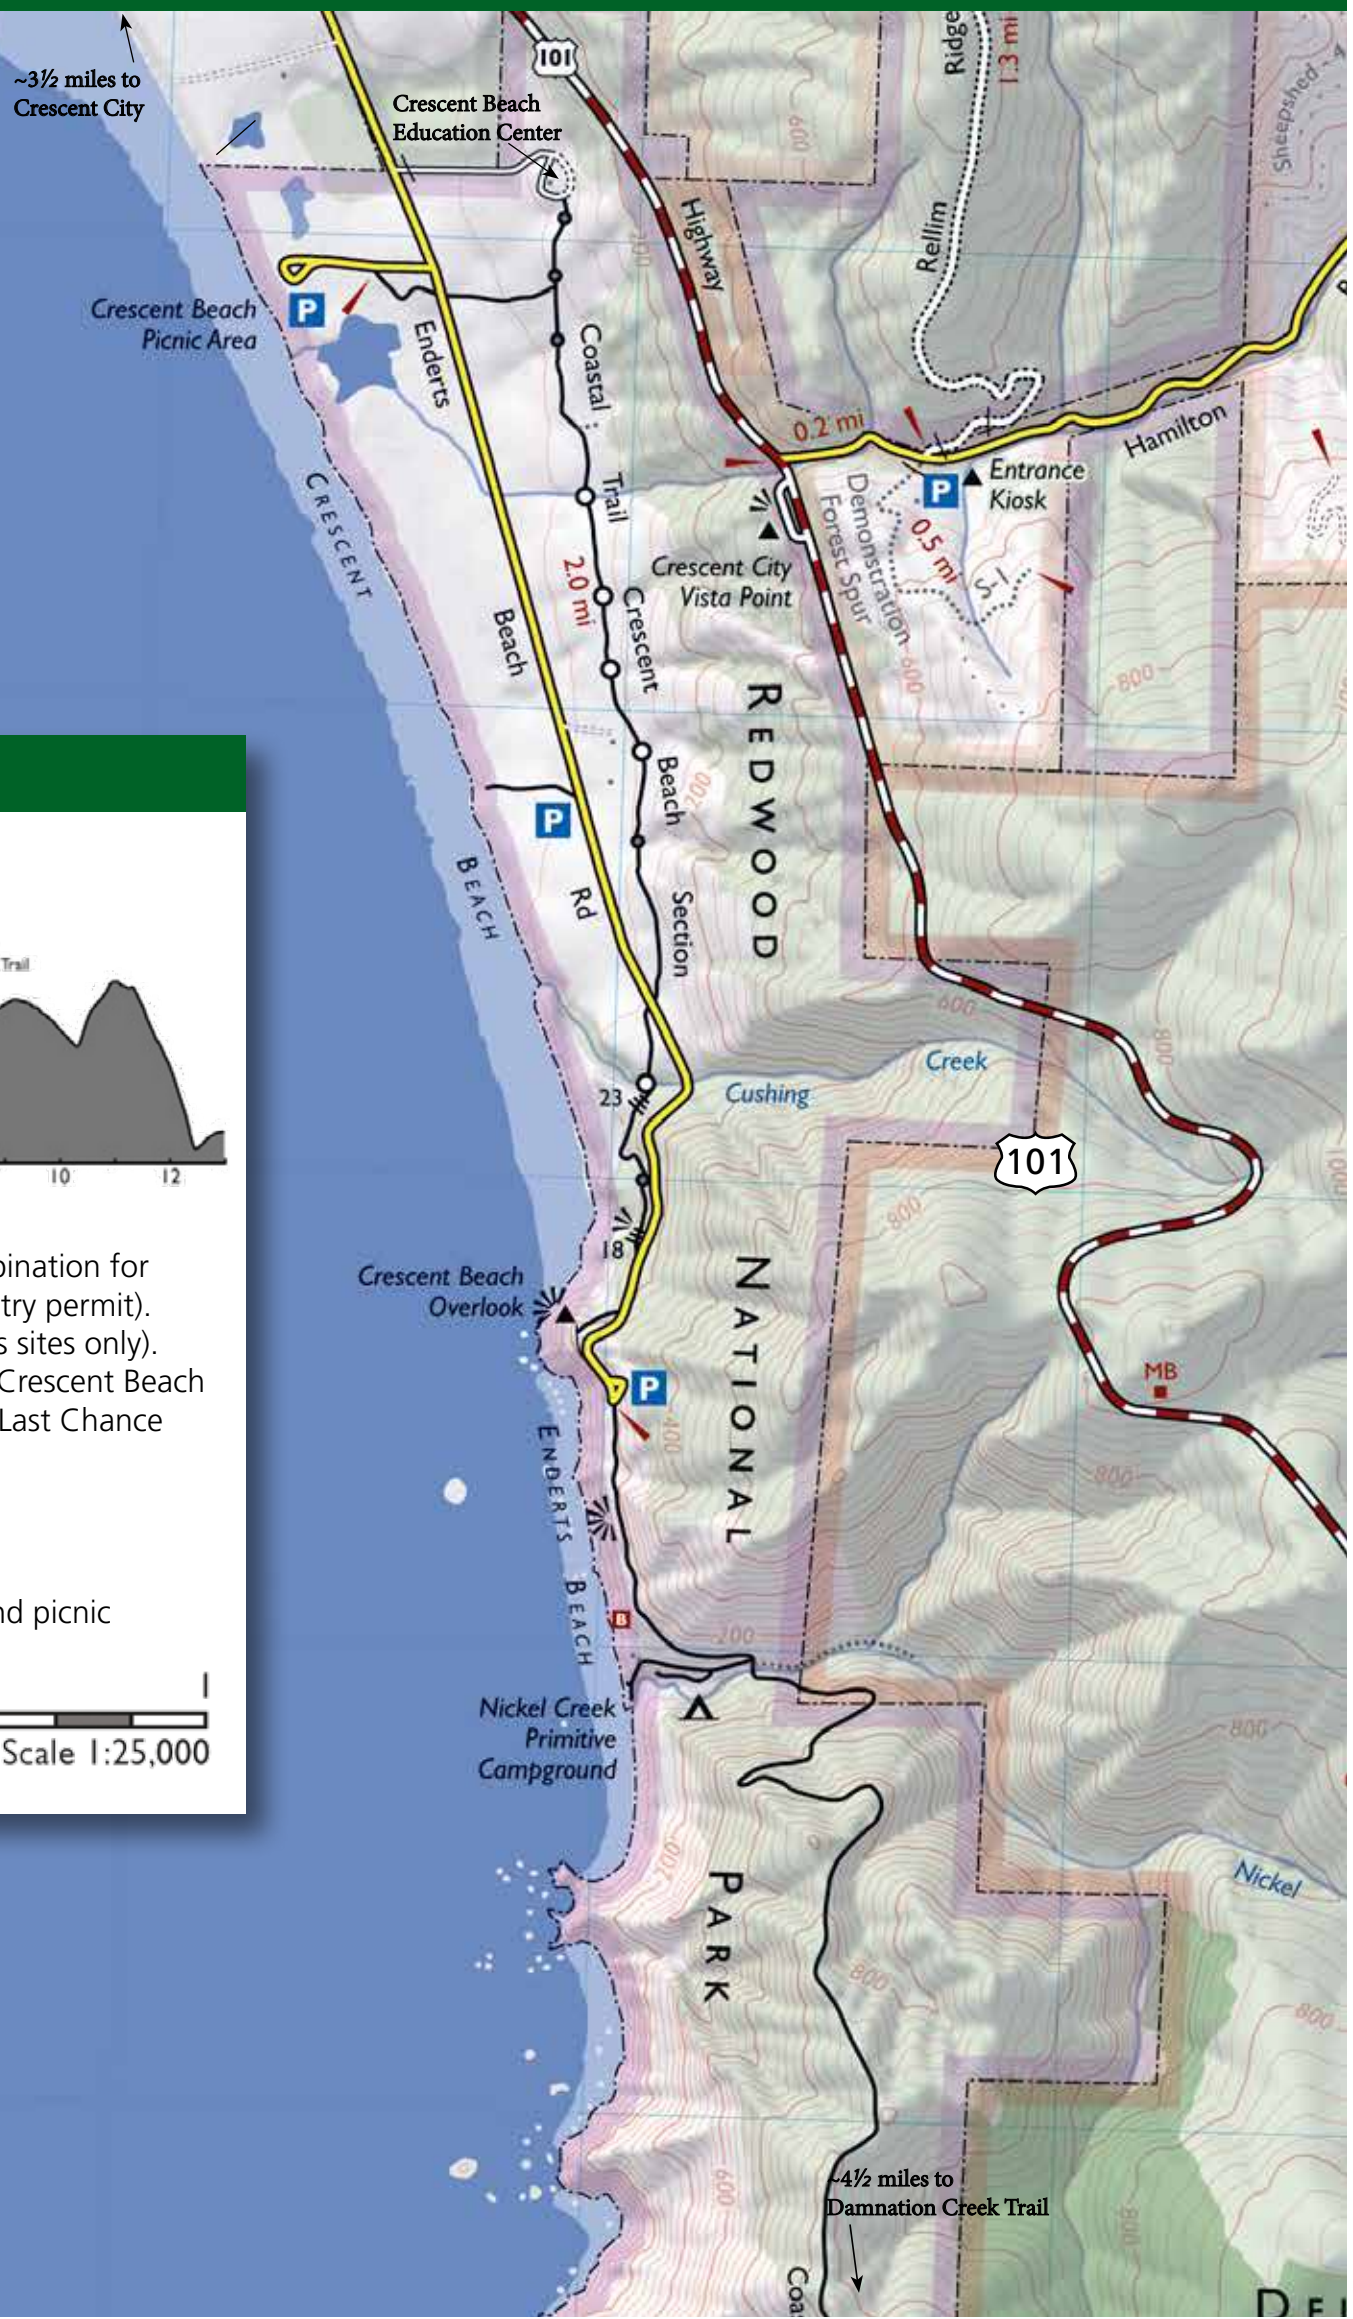

Nickel Creek Map

Nickel Creek: At a Glance

- Free permit required.
- Access to parking requires combination for gate/lock (issued with backcountry permit).
- 5 sites avail. (camp in designates sites only).
- Nearest access: 2 ½-miles from Crescent Beach
- Bicycle access via Coastal Trail - Last Chance Section.
- Max. 8 people per site.
- Max. 5 consecutive nights stay.
- Composting pit toilet.
- Fire ring, food storage locker, and picnic table at each site.

DeMartin Backcountry Camp

Shaded by alders, blackberry, spruce, and hemlock, DeMartin backcountry camp is accessible via the DeMartin Section of the Coastal Trail.

Camp Amenities

Food storage lockers (at each site)

Composting pit toilet

Fire rings (at each site)

Picnic tables (at each site)

Camper Checklist: What You Need to Know

Access

- *Access to the Coastal Trail - DeMartin Section and DeMartin backcountry camp generally require crossing the busy U.S. 101 highway. Please proceed with caution!*
- *When parking at trailheads, secure items of value and keep them out of sight; better yet, leave them at home! Lock vehicle doors, roll up windows, and engage anti-theft devices.*
- Pets (with the exception of service animals), bicycles, horses, and/or pack animals are not allowed on trail or in camp.
- Northern access: 3 miles to camp from Coastal Trail - DeMartin Section Trailhead (U.S. 101 milepost 15.7). Look for small Coastal Trail sign on east side of highway.
- Southern access: 2.5 miles to camp from Wilson Creek Picnic Area (U.S. 101 milepost 12.8). Trailhead is located on east side of highway just north of Wilson Creek Bridge, marked by small Coastal Trail sign.
- Southern access (seasonal—requires crossing Wilson Creek): 2.5 miles to camp from Wilson Creek Picnic Area (U.S. 101 milepost 12.8). Cross to east side of highway (on foot), then continue approx. 200 ft. on Wilson Creek Road; turn left (north) at junction—this side road may be chained-off to prevent vehicle access—and continue to Wilson Creek. Triangular orange signs on both sides of creek indicate trail crossing.

Designated Sites

- 10 campsites available; maximum of eight (8) people per site.
- Camp **only** in designated sites.

Disposal of Garbage and Human Waste

- Composting pit toilets for human waste only—do **not** dispose of garbage in toilets.
- Pack out all trash/garbage when leaving camp.

Food and Garbage Storage

- Store food, garbage, cooking gear, and all odorous items in food storage lockers.
- When cooking and/or eating, do not let wildlife access food and/or garbage.

Never Feed Wildlife (*that includes birds, too!*)

- It's illegal, and dangerous to you, other humans, and the fed animal.
- Keep a clean camp, store food and other smelly items responsibly, and properly dispose of all garbage—even crumbs!

Water

- No treated water source or reliable natural water source available—**pack in drinking water.**

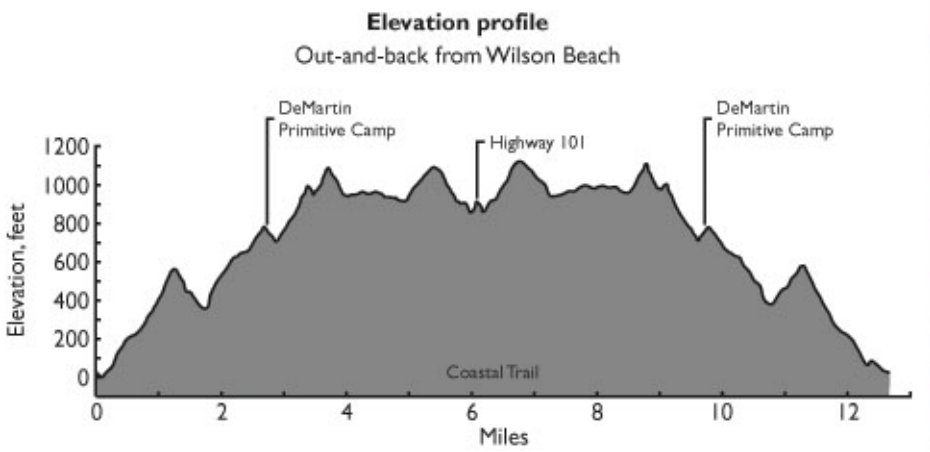

Fires and Firewood

- Campfires are restricted to designated fire rings, only.
- Up to 50 pounds of dead and downed wood per day per campsite may be collected within ¼-mile of camp for campfire use only.
- Do not leave fires unattended or smoldering.

DeMartin Map

DeMartin: At a Glance

- Free permit required.
- 10 sites avail. (camp in designated sites only).
- Nearest access: 2.5 miles from Wilson Creek Picnic Area.
- Max. 8 people per site.
- Max. 5 consecutive nights stay.
- Composting pit toilet.
- Fire ring, food storage locker, and picnic table at each site.

Self pay station

Picnic table & fire ring

Camper Checklist: What You Need to Know

The hiker/biker site at Gold Bluff Beach Campground is reserved for backcountry users. A backcountry permit is required to stay at the site. A fee of \$5 per person, per night is required. A self-pay station is available at the site.

Access

- All overnight vehicles (for backcountry trips that originate from Prairie Creek Redwood State Park) must park at the designated area adjacent to the Prairie Creek Visitor Center and display a parking permit that will be issued with the backcountry permit.
- Secure items of value and keep them out of sight; better yet, leave them at home! Lock vehicle doors, roll up windows, and engage anti-theft devices.
- Thru-hikers only: - 11.5 miles to camp from Flint Ridge on the Coastal Trail. **The Coastal Trail may be inaccessible at high tide from Carruthers Cove to Ossagon Creek.**
- Thru mountain bicyclist: - 6.1 miles to camp from Ossagon Trailhead (mile marker 132.9 on Newton B Drury Scenic Parkway.
- Hikers: - 4.5 miles from the Prairie Creek Visitor Center to camp on the Miners Ridge Trail and 7 miles on the James Irvine Trail.
- Bicyclist: - 19 mile loop with overnight: From the Prairie Creek Visitor Center to camp is 7 miles by way of Strelow Creek Trail and 12 miles by way of Ossagon Trail.

Designated Site

- **The hiker/biker site in Gold Bluffs Beach Campground ONLY. Look for the access trail between campsites 19 and 20. Look for the hiker/biker sign profiled above.** Maximum of 8 people (with backcountry permit, i.e. 8 individuals with 8 separate permits OR 1 group of 8).

Disposal of Garbage and Human Waste

- Restrooms with showers available (free and often cold).
- Animal proof trash cans and recycle bins available.

Food and Garbage Storage

- Store food, garbage, cooking gear, and all odorous items in food storage lockers.
- Keep a clean camp, store food and other smelly items responsibly, and properly dispose of all garbage-even crumbs!
- Do not feed wildlife (including birds) or allow them access to food. It's illegal, dangerous to you, other humans, and the fed animal.

Water

- Potable water is available in the campground.

Fires & firewood

- Use of portable camp stoves in lieu of campfires is strongly recommended.
- Campfires are restricted to designated fire rings only.
- Collecting of firewood is not permitted. However, you may purchase firewood from the Camp Host if available.
- Do not leave fires unattended or smoldering.

Hike to Tall Trees Grove

Fish Redwood Creek (by CDFG regs)

Redwood Creek swimming holes

Redwood Creek Dispersed Camping

Dispersed, undeveloped tent camping on Redwood Creek gravel bars is allowed by permit.

Camping along Redwood Creek

Proper food storage required

Bury human waste or pack it out

Prepare for stream crossings

High creek flow hazards year-round

Camper Checklist: What You Need to Know

Designated Sites

- Dispersed tent camping is permitted only on Redwood Creek gravel bars upstream of McArthur Creek and no closer than ¼-mile from Tall Trees Grove.
- Maximum group size is eight (8) people; larger groups require multiple permits and must camp at least ¼-mi. apart.
- Limited permits issued for overnight use of Redwood Creek—max. 50 people per day.

Access (distance to nearest gravel bar camping location in parenthesis)

- *When parking at any trailhead, secure items of value and keep them out of sight; better yet, leave them at home! Lock vehicle doors, roll up windows, and engage anti-theft devices.*
- Redwood Creek Trailhead (~1½ miles to camp); *Note: Frequent vehicle break-ins at trailhead parking area.*
- Tall Trees Trailhead (~2 miles to camp).
- Dolason Prairie Trailhead, via Dolason Prairie and Emerald Ridge Trails (~5 miles to camp).
- Orick Horse Trailhead at Orick Rodeo Ground (~6 miles to camp).
- Hiker access only—dispersed gravel bar camping **not** permitted for bicycles, horses, and/or pets.
- **Redwood Creek may be impossible to cross during the rainy season and/or during high flow stages; two bridges over Redwood Creek are only in place seasonally, usually June–September.**

Disposal of Garbage and Human Waste

- Pack out solid human waste **or** bury in “cat-hole” at least 6 inches deep in soil (not leaf litter), and at least 100 feet from any water source, campsite, or trail; pack out all toilet paper.
- Pack out all trash/garbage.
- Wash dishes (or yourself) at least 200 feet away from any water source.

Food and Garbage Storage

- Store food, garbage, cooking gear, and all odorous items in one of two ways:
 1. Suspended at least 10 feet above ground and 4 feet horizontally from tree trunk; **or**
 2. Secured within a bear-resistant canister.

Never Feed Wildlife (that includes birds, too!)

- It's illegal, and dangerous to you, other humans, and the fed animal.
- Keep a clean camp, store food and other smelly items responsibly, and properly dispose of all garbage—even crumbs!

Water

- No treated water source available—pack in water or bring water filter/purifier.
- Drink filtered/purified water from Redwood Creek tributaries, not from the main channel itself.

Fires and Firewood

- Under normal conditions, fires are permitted on Redwood Creek gravel bars.
- Up to 50 lbs. of dead and downed wood per day per campsite may be collected from gravel bars.
- Never leave fires unattended.
- When leaving, extinguish fires and dismantle completely; bury with sand and/or gravel, leaving no visual evidence of fire behind.

Stop the Invaders!

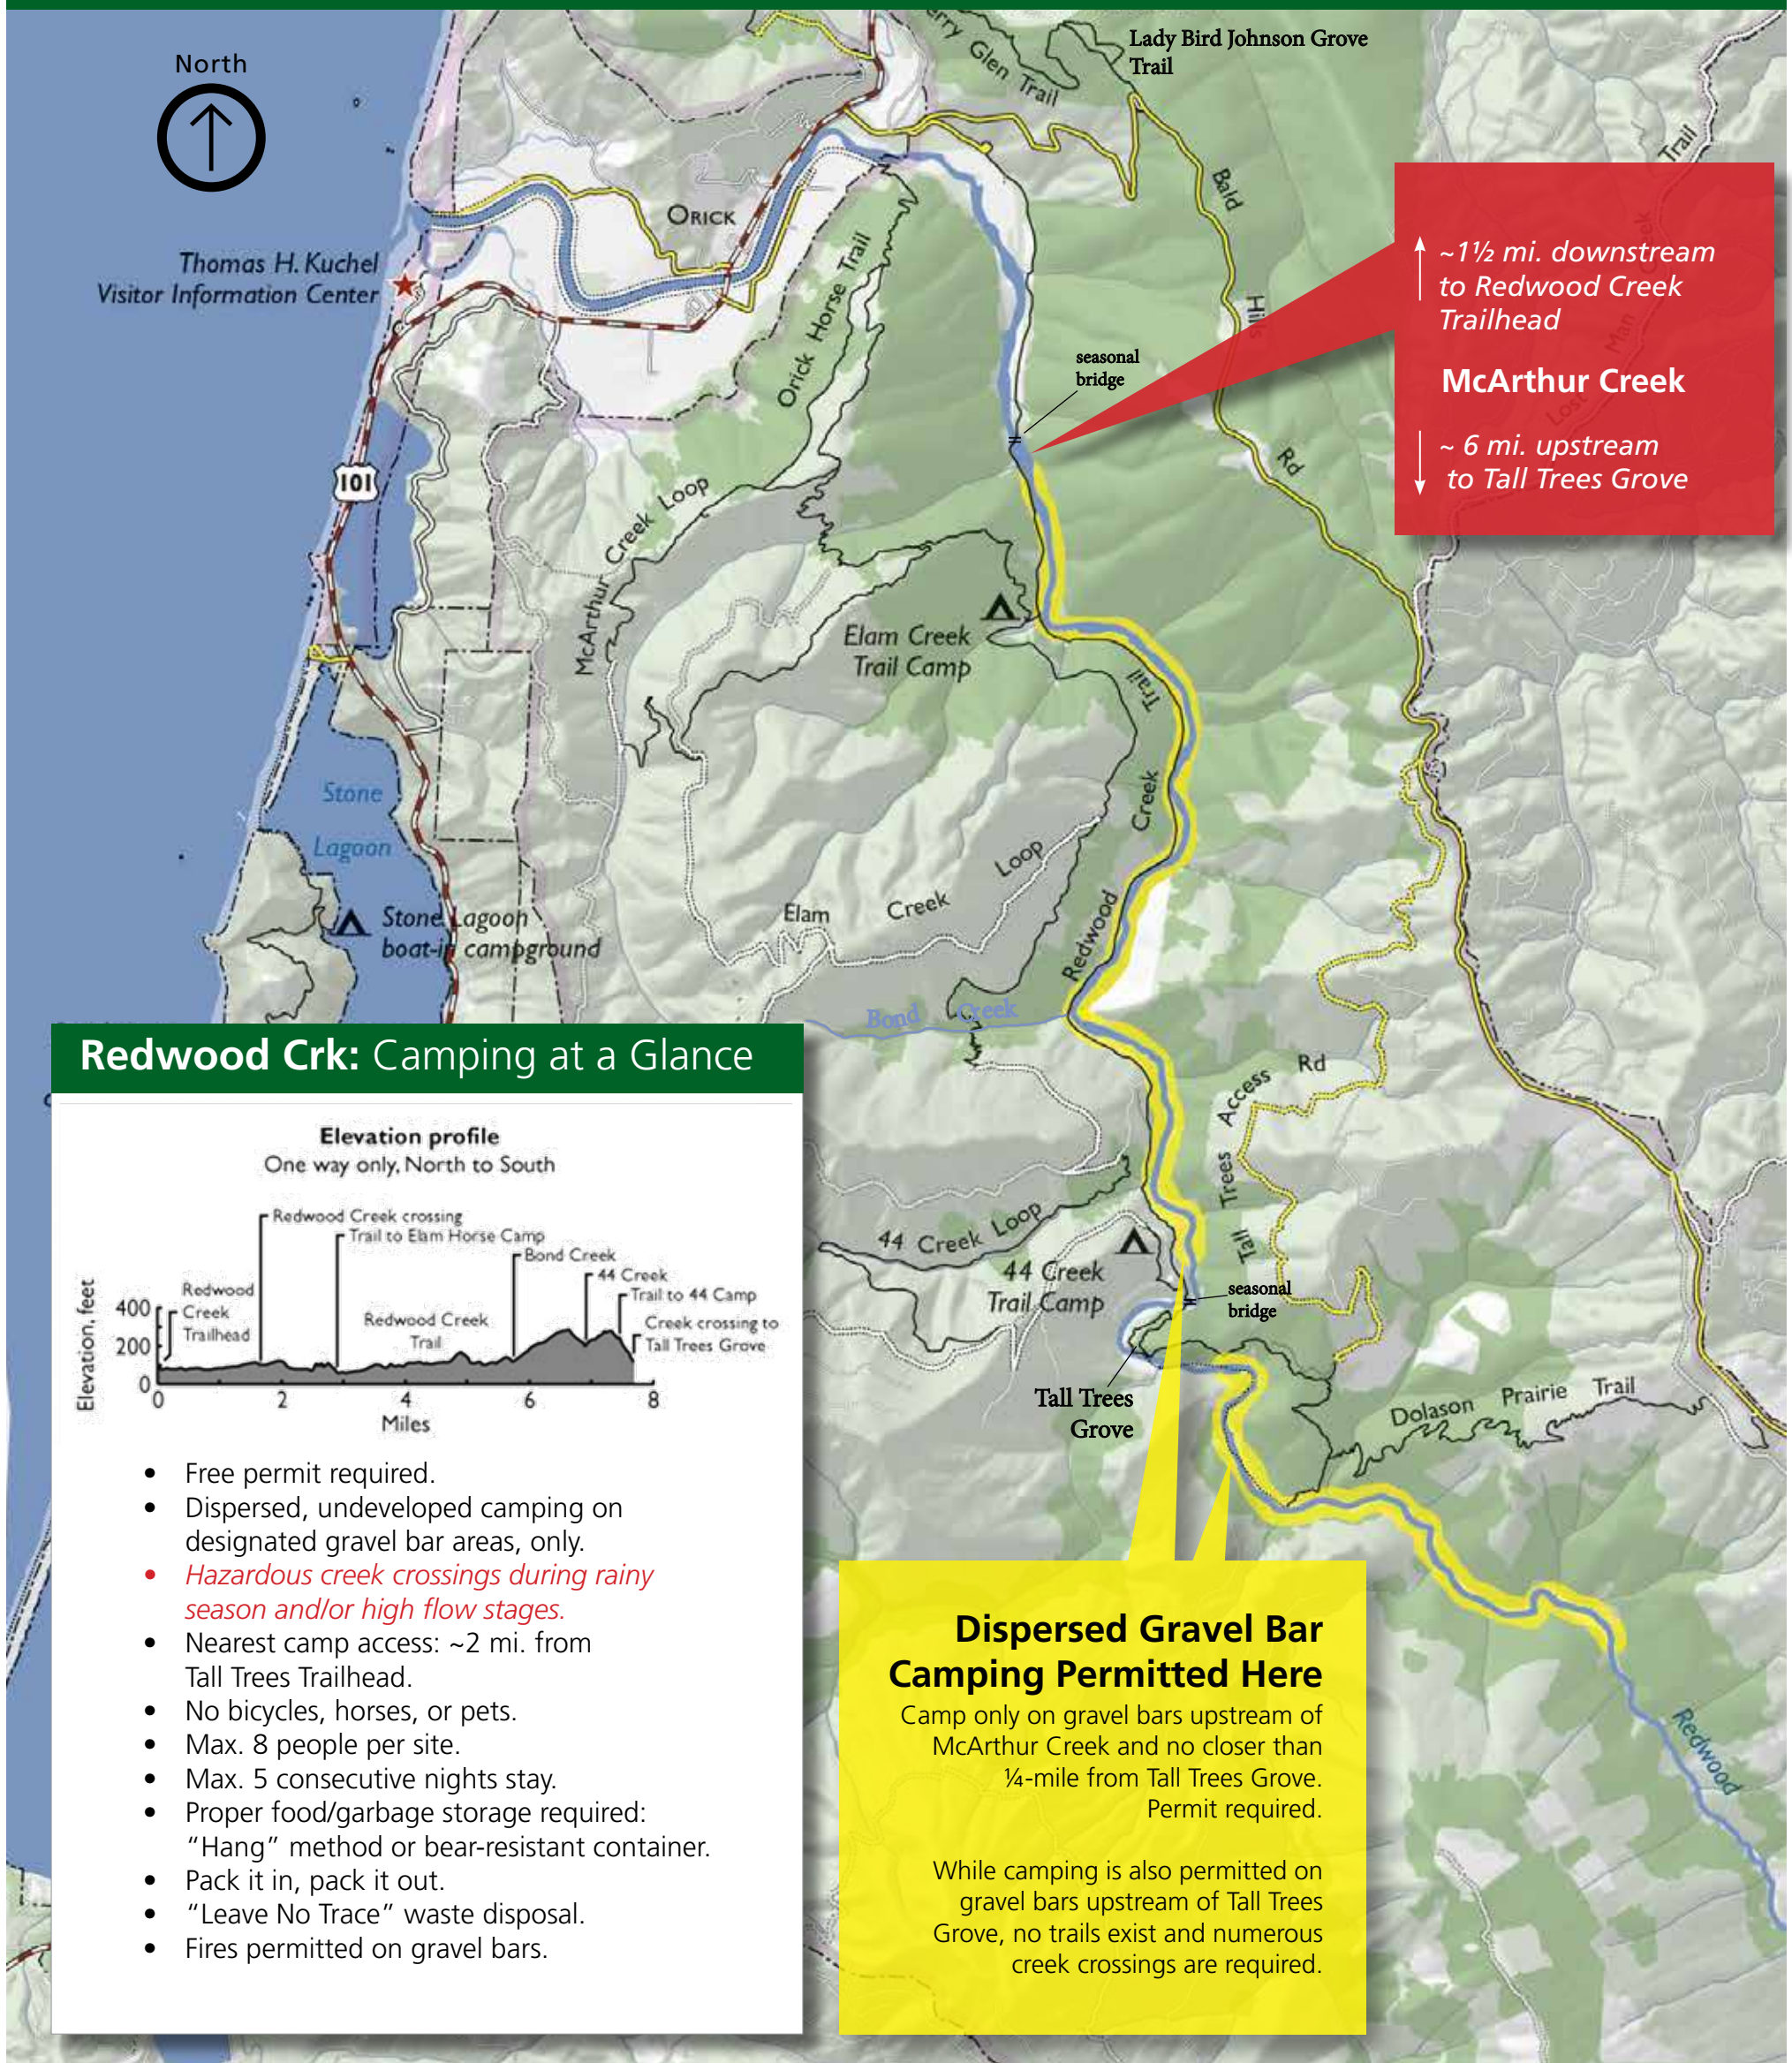

You can help prevent the spread of non-native diseases and plants in the Redwood Creek Watershed.

Fortunately, most of these harmful invaders can't travel upstream into our pristine parkland. Let's keep it that way! Do your part to minimize the transport of mud, plants, and fungi to exotic locales:

- Clean your boots before hiking in and around Redwood National and State Parks.
- Clean your boots before and after hiking any trail in the Redwood Creek watershed.
- Stay on established trails.
- Clean your boots before and after hiking through any creek or stream in the Redwood Creek watershed.

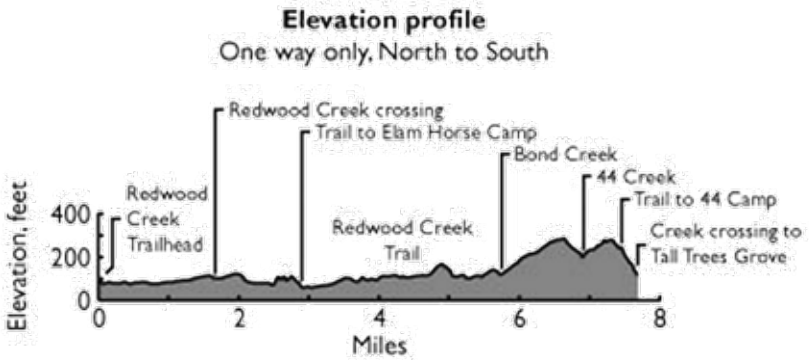

Redwood Creek Map
