Old Rag Circuit Hike

A *very challenging* 7.2 mile hike and rock scramble to spectacular views. From the Old Rag parking area, the trailhead is an additional .8 mile. The Ridge Trail takes you across a strenuous rock scramble to the summit. For a shorter hike, return the way you came, or to complete the circuit hike, return by way of the Saddle trail, past Old Rag Shelter, to Weakley Hollow Fire Road, and back to the Old Rag parking area. Bring plenty of water. *No pets on the Ridge Trail.*

Please note:
Alternative hikes for visitors with pets are listed on the back of the map.
