

# The National Park Service

## NPS Social Science Program

Please visit...

<http://www.nps.gov/socialscience/>

...and participate in an information clearinghouse on social science and the national parks!

### The Program

Learn more about the activities and initiatives of the NPS Social Science Program. Download summaries of selected publications.

### People & Organizations

Review the roster of social scientists. Add your social science expertise to this growing roster through an easy-to-use on-line form. Learn about scientific and professional organizations and add other organizations to the list.

### Technical Assistance

Learn about opportunities for professional development. Use an on-line form to add information about training and continuing education courses. Learn about social science planning and how to get NPS-sponsored surveys approved through OMB.

### Publications & Data

Review a "virtual library" of books, journals, reports and data relevant to social science and park management. Use an on-line form to add publications and data that will help scientists and managers.

Help the website grow by submitting information through easy-to-use on-line forms. Just type in the information and press the submit button. We'll post your submission on the site.
