Martin Hansen

In 1887, Martin Hansen was the first to discover a cave in the Timpanogos Cave System—Hansen Cave. According to a popular version of the story, Hansen discovered the cave while following mountain lion tracks in freshly fallen snow up the walls of American Fork Canyon.

Timpanogos Cave National Monument

We encourage you to continue the legacy of our early discoverers and participate in the future of Timpanogos Cave National Monument for the next 90 years. Cave tour reservations can be made up to 30 days in advance by calling the visitor center at 801-756-5238.

A non-profit "Friends of Timpanogos Cave" organization is also forming this year that will help the park in organizing special events, sponsoring research, volunteering, and fund raising. Members will enjoy special activities and a greater connection to this amazing place. We invite you to join today at www.friendsoftimpanogoscave.org!
