Newberry Crater

Paulina Lake • East Lake

Campgrounds

Map Number/Name	No. of Units	Fee
1 Paulina Lake	69	Yes
3 Little Crater	50	Yes
4 East Lake	29	Yes
5 Hot Springs*	42	Yes
6 Cinder Hill	110	Yes

Each campsite provides an individual parking spur, table, and fireplace. All have drinking water, boat launching facilities (with loading docks), and flush and/or vault toilets.

* Open when use requires.

Reservation Campgrounds

- 2** Newberry Group - ask for brochure
- Ogden Group - on road 21 near LaPine

Each campsite offers three group camping areas, drinking water and dumpsters for garbage disposal.

Newberry group is the most developed site with group picnic areas, electrical outlets, tent areas, group fire pits and paved parking pads. Please see the Newberry group brochure.

Reservations can be made by calling the Fort Rock District at 503/388-5664.

Reservation Horse Camp

- 7** Chief Paulina

Offers facilities for those campers who bring their horses to ride the crater trails. Units can accommodate 4, 8 or 12 horses. Advanced reservations for the horse camp are made through the District Office 503/388-5664.

Other Area Campgrounds

Name	No. of Units	Fee
Prairie	16	Yes
Rosland	11	Yes

Prairie campground is located on road 21 along Paulina Creek. Rosland campground is located off road 43, west of LaPine. Both are National Forest campgrounds.

Resorts

Paulina Lake Lodge • East Lake Resort

Two full-service resorts which operate under special use permits from the Deschutes National Forest. In summer, both offer overnight lodging, boat rentals, boat launching, gas, groceries, camping supplies, fishing tackle, public phones, and restaurants (please check ahead to confirm operation times). East Lake Resort also has full hookups for campers and recreational vehicles at their park, showers, and laundry facilities. Paulina Lake Lodge is open year-round and provides many services to winter recreationists.
