

## Fauna

Fish	Common Name	Park Status	Common Name	Park Status	Common Name	Park Status
	black bullhead	Present in Park	finescale dace	Present in Park	northern pike	Present in Park
	black crappie	Present in Park	golden shiner	Present in Park	northern redbelly dace	Present in Park
	blackchin shiner	Present in Park	green sunfish	Probably Present	pearl dace	Present in Park
	blacknose dace	Present in Park	iowa darter	Present in Park	pumpkinseed	Present in Park
	blacknose shiner	Present in Park	johnny darter	Present in Park	rainbow smelt	Present in Park
	blackside darter	Probably Present	lake chub	Present in Park	river darter	Probably Present
	bluegill	Present in Park	lake sturgeon	Present in Park	rock bass	Present in Park
	bluntnose minnow	Present in Park	lake trout	Present in Park	sauger	Present in Park
	brassy minnow	Present in Park	lake whitefish	Present in Park	shorthead redhorse	Present in Park
	brook stickleback	Present in Park	largemouth bass	Present in Park	silver lamprey	Present in Park
	brown bullhead	Present in Park	logperch	Present in Park	silver redhorse	Present in Park
	burbot	Present in Park	longear sunfish	Present in Park	slimy sculpin	Present in Park
	central mudminnow	Present in Park	longnose dace	Present in Park	smallmouth bass	Present in Park
	cisco or lake herring	Present in Park	longnose sucker	Present in Park	spottail shiner	Present in Park
	common shiner	Present in Park	mimic shiner	Present in Park	tadpole madtom	Present in Park
	creek chub	Present in Park	mooneye	Present in Park	trout- perch	Present in Park
	emerald shiner	Present in Park	mottled sculpin	Present in Park	walleye	Present in Park
	fathead minnow	Present in Park	muskellunge	Present in Park	white sucker	Present in Park
			ninespine stickleback	Present in Park	yellow perch	Present in Park

## Mammals

Common Name	Park Status	Common Name	Park Status
arctic shrew	Present in Park	muskrat	Present in Park
badger	Unconfirmed	northern bog lemming	Unconfirmed
beaver	Present in Park	northern flying squirrel	Present in Park
big brown bat	Probably Present	northern myotis	Unconfirmed
black bear	Present in Park	northern short- tailed shrew	Present in Park
bobcat	Probably Present	pine marten	Present in Park
canada lynx	Probably Present	porcupine	Present in Park
coyote	Present in Park	raccoon	Present in Park
eastern chipmunk	Present in Park	red bat	Probably Present
eastern cottontail	Unconfirmed	red fox	Present in Park
fisher	Present in Park	red squirrel	Present in Park
franklins ground squirrel	Present in Park	river otter	Present in Park
gray wolf	Present in Park	rock vole	Present in Park
heather vole	Unconfirmed	short- tailed weasel/ermine	Present in Park
hoary bat	Probably Present	silver- haired bat	Probably Present
house mouse	Present in Park	snowshoe hare	Present in Park
keen's myotis	Probably Present	southern bog lemming	Present in Park
least chipmunk	Present in Park	southern red- backed vole	Present in Park
least weasel	Unconfirmed	star- nosed mole	Present in Park
little brown bat (myotis)	Present in Park	striped skunk	Present in Park
long- tailed weasel	Probably Present	thirteen- lined ground	Unconfirmed
masked shrew	Present in Park	wapiti/american elk	Historic
meadow jumping mouse	Present in Park	water shrew	Present in Park
meadow vole	Present in Park	white- tailed deer	Present in Park
mink	Present in Park	wolverine	Historic
moose	Present in Park	woodchuck	Present in Park
mountain lion	Unknown	woodland caribou	Historic
		woodland deer mouse	Present in Park
		woodland jumping mouse	Present in Park
