

**Bibliography of Snowmobile-Related Emissions and Air Quality Studies
Yellowstone National Park**

November 9, 1999

Bishop, G.A. and D.H. Stedman. 1998. *1998 Preliminary Snowmobile Emission Survey in Yellowstone National Park: Final Report*. Prepared for the National Park Service. University of Denver. Denver, Colorado.

Borrie, W., et al. 1999. *Winter Visit and Visitor Characteristics of Yellowstone National Park: Final Report 1999*. University of Montana School of Forestry, Missoula, Montana.

Carroll, J.N. and J.J. White. 1999. *Characterization of Snowmobile Particulate Emissions: Final Letter Report*. Prepared for the Yellowstone Park Foundation, Inc., by Southwest Research Institute. Report number SwRI 08-2457.

Ingersoll, G., J. Turk, C. McClure, S. Lawlor, D. Clow, and A. Mast. 1997. *Snowpack Chemistry as an Indicator of Pollutant Emission Levels from Motorized Winter Vehicles in Yellowstone National Park*. Presented at the 65th Annual Western Snow Conference, May 4-8, Banff, Canada. pp. 103-113.

Ingersoll, G. 1999. *Effects of Snowmobile Use on Snowpack Chemistry in Yellowstone National Park, 1998*. U.S. Geological Survey. Water Resources Investigations Report 99-4148.

Montana Department of Environmental Quality. 1999. *The Snowmobile Dilemma, or, Who Spilled What in the Refrigerator vs. Who's Cleaning It Up?* By Howard E. Haines, Montana Department of Environmental Quality.

<http://www.deq.state.mt.us/ppa/p2/snowmobl/snowmobl.htm>

Morris J.A., G.A. Bishop, and D.H. Stedman. 1999. *Real-time Remote Sensing of Snowmobile Emissions at Yellowstone National Park: An Oxygenated Fuel Study, 1999*. Prepared for Western Regional Biomass Energy Program, Lincoln, NE. University of Denver, August 1999. (Bishop, G.A. and D.H. Stedman. 1998. is Appendix A of this report)

National Park Service, U.S. Department of the Interior. 1995. *Ambient Air Quality Study Results, Winter 1995-Summary, West Entrance Station, Yellowstone National Park*.

National Park Service, U.S. Department of the Interior. 1996. *Carbon Monoxide Monitoring, Winter 1996-Draft, West Entrance and West Entrance Road, Yellowstone National Park*.

Radtke, T. 1997. *Industrial Hygiene Consultation Report*. Report No. 970101. U.S. Department of the Interior, Office of Managing Risk and Public Safety. Lakewood, Colorado.

Snook, L.M. and W.T. Davis. 1997. *An Investigation of Driver Exposure to Carbon Monoxide While Travelling in the Wake of a Snowmobile*. Paper 97-RP143.02. Presented at the Air and Waste Management Association's 90th Annual Meeting and Exhibition, June 8-13, Toronto, Ontario, Canada.

White, J.J. and J.N. Carroll. 1998. *Emissions from Snowmobile Engines Using Bio-based Fuels and Lubricants*. Prepared for the Montana Department of Environmental Quality, by Southwest Research Institute. Report number SwRI 7383.

Wright, C.W, and J.J. White. 1998. *Development and Validation of a Snowmobile Engine Emission Test Procedure*. SAE Technical Paper Series 982017. International Off-Highway and Powerplant Conference and Exposition. Milwaukee, Wisconsin, September 14-16 1998.

Yellowstone National Park. 1999. June 1, 1999, letter from Superintendent Michael Finley to U.S. Environmental Protection Agency Public Docket A-98-01.

Reports in Progress (not yet available):

Duffield, J.W. and C.J. Neher. In progress. Winter 1998-99 Visitor Survey Yellowstone N.P., Grand Teton N.P., and the Greater Yellowstone Area: Analysis and Results. Bioeconomics, Inc., Missoula, Montana. September 1999 draft report.

Kado, N.Y., P.A. Kuzmicky, and R.A. Okamoto. In progress. Measurement of Toxic Air Pollutants Emitted from Snowmobiles at Yellowstone National Park. Department of Environmental Toxicology, University of California, Davis. July 1999 draft report.

State of Montana, Department of Environmental Quality. In progress. Continuous Carbon Monoxide Monitoring at West Entrance, Yellowstone National Park. October 1998 – present.

Tyler B. and R. Peterson. In progress. Field Studies of Aerosol Formation and Biodegradation of Snowmobile Fuels, Lubricants, and Emissions in the Yellowstone Region. Montana State University, Bozeman, Montana.
